Re: Request for zoning consideration for Journey Church

Dear Board of Zoning Appeals,

We understand the Journey Church is seeking a zoning variance to move into a building on Hudson Street. This is a letter of support for this variance.

Journey Church has made an impressive impact in the Franklin community in a short time. They have repeatedly reached out to serve those in need. Journey Church was a major contributor to purchase a box truck that allows the Interchurch Food Pantry to pick up four times as much food from food banks and other sources. Journey Church sponsors an annual major food drive and supports our pantry with significant mission dollar donations. Their commitment to Franklin and surrounding community is impressive.

The ability of Journey Church to have its own building will greatly enhance its ability to serve the community. On behalf of the people served by the Journey Church, please consider their request for a zoning variance.

Sincerely,

Carol Phipps
