<b>Please describe the purpose or title of your presentation.</b>			
<p>Fast track the repairs of the storm sewer that runs west of our property line in Bastin-Logan. It is surcharging up in Monroe St., it is missing a one-way valve or gate/door, the grate design needs changed in the Oren-Wright back lot, as well as in front of Bastin-Logan's gate. We can't keep them clean. This is causing Monroe St. and our building to flood. Also, the bridge at South St. needs dredged, and the walk bridge in the park needs raised 3'. It now has a big tree obstructing it. I am asking for these repairs to be done in the 1<sup>st</sup> 4-6 months of 2014. I have been begging for the sewer repair since 2008.</p>
