Re: Wastewater Treatment Plant SCADA Improvements
Evaluation of Bids

Dear Board Members:

Pursuant to the advertisement, bids for the Wastewater Treatment Plant SCADA Improvements were received at 10:00 a.m. on July 14, 2015 at City Hall, opened and read aloud.

Two (2) bids were received. A copy of the official Bid Tabulation is enclosed. The contractors which submitted bids and their respective bid amounts are as follows:

<u>BIDDER</u>	<u>LUMP SUM BID PRICE</u>
Berry Electric, Inc.	\$ 439,556.00
Sun Electric, Inc.	\$ 576,900.00

The engineer's estimate for the project was \$500,000. One bid is below the engineer's estimate while one bid is above. The low bid is approximately 12% below the Engineer's Estimate.

We have reviewed the bid package for the low bidder, Berry Electric, Inc., and the bid documents appear to be complete. Based on the evaluation of their experience and qualifications, they should be capable and qualified to perform the work required.

Pursuant to the Contract Documents, the Board may reject any and all bids or may accept the lowest responsive and responsible bidder.

Based upon our evaluation of the bids received and information obtained on the low bidder, the Notice of Award may be made to Berry Electric, Inc. at a contract price of \$439,556.00. If the Board concurs, a Notice of Award to Berry Electric, Inc. is attached for execution.
