RECITALS:

- A. Seals is a provider of certain emergency and non-emergency ambulance transportation and related services.
- B. City desires to contract with Seals to provide emergency and non-emergency ambulance transportation and related services to its citizens.
- C. Seals desires to provide City with such services and has the necessary equipment, training, expertise, professional certifications and licenses to do so.

NOW THEREFORE, in consideration of the mutual covenants and promises hereinafter set forth, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Provision & Scope of Services. Seals agrees to provide City on a primary basis ambulance transportation services including, but not limited to, all emergency responses, fire standby, and other emergent services as so requested and City agrees to provide certain equipment, facilities and assistance in connection with such services, and specifically in accordance with the description and definitions that the parties have mutually agreed upon and are detailed in Exhibit A and in accordance with the terms and conditions set forth in this Agreement. These Services shall be rendered by Seals within the jurisdictional limits of the City of Franklin, Indiana Fire Department.
2. Certifications and Licenses. Each party shall maintain all certifications and licenses as required by all Applicable Law to perform its obligations hereunder.
3. Qualifications to Participate in Federal and State Healthcare Programs. Both parties represent and warrant that (a) neither it nor any employee, agent, or independent contractor provided under this Agreement is excluded from participation under any Federal Health Care Program for the provision of items or services for which payment may be made under a Federal Health Care Program; (b) neither it nor any employee, agent or independent contractor provided under this Agreement has been convicted of a felony relating to health care fraud as defined under 42 U.S.C. §1320a-7(a)(3); and (c) no final adverse action, as such term is defined under 42 U.S.C. §1320(a)-7(c) has occurred or is pending or threatened against either party or to its knowledge against any employee, agent or independent contractor engaged to provide items or services under this Agreement (collectively "Exclusions/Adverse Actions"). During the term of this Agreement, each party agrees to notify the other party in writing of any Exclusions/Adverse Actions within ten (10) days of learning of any such Exclusions/Adverse Actions and provide the basis of the Exclusions/Adverse Actions. Each party acknowledges that the exclusion of any employee, agent or independent contractor from participation in the Federal Health Care

Programs shall result in his or her immediate removal from the performance of duties and responsibilities for the other party under the terms of this Agreement. Each party acknowledges and agrees that any Exclusions/Adverse Actions of or against it or any employee, agent or independent contractor utilized, directly or indirectly, in the performance of this Agreement may serve as the basis of an immediate termination of this Agreement by the other party.
