

# ACCORDANCE DRESSAGE

**JENNIFER GRANT**  
Training, Instruction and Sales

March 25, 2016

To Whom it May Concern;

I am writing to recommend Jennifer Wright and her family as conscientious horse owners who will be an asset to your community. Jennifer Wright began riding instruction with me in May of 2013 and has been a dedicated student ever since. She demonstrates a level of horsemanship and experience far above and beyond the average student I teach. The horse that I have participated the most with came from an abusive home and has been transformed by Jennifer's consistent, kind and fair treatment. Jennifer demonstrates the skills and understanding of horses that only come from a lifetime of experience. Her horses receive the best of care including professional farrier care every 6 weeks, regular vaccinations, veterinary and chiropractic care as well as custom saddle flocking. I have also taught lessons to her two oldest boys, Ethan and Aaron. The same thorough care and respect for the horses has been instilled in both of these boys. I assure you that the Wright family will bring only positive merits to your neighborhood.

Sincerely,
