Hello,

I have known the Wright family for many years. We have had the pleasure of participating in 4 H thru Warren county as our children grew up together. The family is very involved in many horse activities. Their mother has owned horses since she was a child and is a excellent horse owner. She is a over the top owner for care for her horses health, safety, and knowledge. She has taught her children well in all aspects of horse care and ownership. I have so enjoyed watching her children thru the years show and also as a friend the enjoyment their animals bring to their family. We will miss them very much in Ohio and hope their move bring much enjoyment to their life.
