To whom it may concern:

Our neighbor Sharon Cline, notified us last week that The City intends to turn the Pocket Park at the east end of Wayne St. into a parking lot. I understood the 4 houses which were torn down along the south side of Wayne St. were to provide parking.

When the land for that park was acquired by The City's Parks Department, I believe one stipulation was that it had to remain a park & could not be made into a parking lot. I thought there was grant money involved in the purchase. Please make sure before you proceed.

Some years ago a developer wanted to remodel the old warehouse and make the land a parking lot. The City denied that request and the land became a park.

Gary Peterson, who spear-headed making it a pocket park, passed away earlier this month.

It is ironic, just now, that The City is wanting to 'un-beautify' our neighborhood.

I live at 183 South Home Avenue and look at that site on a daily basis. I really do not want the noise & dirt from a parking lot wafting on to my property. I believe I am within the 300 feet of the property in question to be able to say 'no' to such an enterprise per City ordinance.

Also, has Duke Energy been notified, as they own the two houses directly across from the park on South Home Avenue & changing the ground to a parking lot will effect their plans to sell those properties to recoup their investments.

We watched those trees grow and our taxpayer money paid to plant them! Don't cut them down.

Sincerely, Bette Emry.

Mayor Joe,

Our understanding is that ALL of the trees are being removed October 1.

It would be nice to know which trees are to be removed.

If there is just to be one row of parking that parallels the east side of the old garment factory for private parking and the majority of the Pocket Park remains intact, that would seem reasonable & acceptable.

I still seem to recall there may be some stipulation on the deed when The City acquired the land for the Pocket Park that it not be used for any other purpose. Has anyone actually pulled that deed to look at it?

I have copies of minutes from City Council meetings earlier this summer where it appears the park was gifted to Bemis by The City.

Also, as our personal property is within the 300 foot perimeter surrounding the park, I believe we need to be notified before any changes are made. We have not received any such notification.

On a different note, with the street work being done on Wayne Street, some of our landscape blocks have been run over & broken. We had to landscape out to the street, as we do not have proper curbs. Is there a plan to replace the curbs on South Home Avenue opposite the Wayne Street construction?

Thank you in advance for your attention to these matters.

Sincerely, Bette Emry

On Monday, September 26, 2016 9:35 AM, Mayor McGuinness <mayor@franklin.in.gov> wrote:

Bette,

I appreciate your email and concerns. Please understand nothing has been finalized with that particular property. Back in January or February, when we were working through plans with the Bemis Group, it was determined that property could potentially be a small, private parking area for the residents of the condominiums at the garment factory. This would not be public parking. In addition, the original plans only called for removal of two trees on the property to accommodate the parking (I believe one of the trees is, in fact, diseased and needs to be removed regardless of the outcome).

Thanks,  
Joe

Chip,

Thank you for your prompt & informative reply.

Our neighbor, Sharon Cline, understood that the trees in the Pocket Park on Wayne Street were to be cut down starting October 1st. She was talking to some of the men working on the street in front of her property and they informed her of this.

I understand removing dead trees. I do not want to see any live trees removed. I trust the men working on East Wayne Street know that the park is to remain such & for them not to disrupt it too much with their machines.

If they think it is going away, they may not be too careful.

Have you also informed Duke Energy of any plans, as they own the properties across from the Pocket Park and south of our home?

Please keep us informed of any proposed changes.

Sincerely,

Bette Emry  
183 South Home Avenue

Bette,

The Park Board discussed this issue at the June park board meeting and did agree to entertain the idea of moving forward with allowing this property to be a part of the larger Garment Factory/Wayne Street improvement projects. However, let me assure you nothing has progressed past the point of the Park Board entertaining the idea. The Park Board could not legally give the property away to a private business or individual anyway. What they have agreed to is to entertain the idea of transferring the property to the Board of Public Works and Safety or the Redevelopment Commission. Neither entity has formally requested any further action from the Park Board so it has not progressed any further. I agree the minutes of the meeting are terrible and should be amended to more clearly state exactly what occurred in June. They did discuss the Bemis project and its potential use of this property however, I can assure you the Park Board has not given nor signed over this property to anyone at this time.

This issue may be on the October Park Board meeting agenda as I believe a presentation may be given about this project, but I have not received confirmation of that as of today. The meeting will be Thursday, October 13 at 4pm at the Recreation Center. The Park Board is made up of really great people that are more than willing to hear from neighbors about this issue and will encourage public input before they decide any further movement on this particular property. I am more than happy to send you an email as soon as I know if this will be on the Park Board agenda for October.

Please feel free to contact me with any questions you have until then. Thanks!

Chip

Mayor McGuinness and Director Orner,

As a resident of Home Avenue, I wish to let it be known that I am opposed to gifting the Wayne Street pocket park to the Bemis group, and all that that entails, such as cutting down trees and building a private parking lot.

Thank you for your consideration.

Brian Schumacher

Franklin Parks & Recreation

**Park Board**  
**Cultural Arts & Recreation Center Conference Room**  
**Thursday, June 16, 2016**  
**4:00 p.m. Regular Board Meeting**

Park Board present: Pam Ault, Debbie Gill, Dr. John Shafer  
Staff present: Chip Orner - Director, Rocky Stultz – Assistant Director, Tena Stahlhut – Business Services Director  
Guests present: John Wales

1. **Call to Order**  
Meeting called to order by Vice President, Dr. John Shafer at 4:07 pm.
2. **Announcements & Presentations**  
Request to place statue on park property – John Wales  
Mr. Wales brought the Blake Dickus Monument Proposal before the Board for their consideration. After a lengthy discussion the Board decided to not accept the proposal to place the statue on park property. Motion was made by Pam Ault and seconded by Debbie Gill to not accept the Blake Dickus statue to be placed on Parks property. The Board unanimously approved. They did however recommend that Mr. Wales contact Needham Elementary about placing the statue inside the school behind a protective barrier or perhaps the Franklin Arts Garden which already houses outdoor art sculptures.
3. **Consent Agenda**
  - a. Approval of meeting minutes from May 19, 2016  
Motion made by Pam Ault and seconded by Debbie Gill to approve the May 19, 2016 minutes. The Board unanimously approved.
  - b. Approval of June Claims  
Motion made by Debbie Gill and seconded by Pam Ault to approve the claims. The Board unanimously approved.
  - c. Approval of Human Resources Report  
Chip presented the Board with the monthly human resources report.  
Motion was made by Debbie Gill and seconded by Pam Ault to accept the report.
4. **Old Business**  
None
5. **New Business**
  - a. Wayne Street Improvements/Pocket Park  
Chip informed the Board he had been approached to possibly gift the Bemis Group with the Wayne Street Pocket Park property. They will be renovating properties to include an event center, shopping space and high end condos. After a discussion a motion was made by Debbie Gill and seconded by Dr. John Shafer to gift the Wayne Street Pocket

Park property to the Bemis Group with the understanding there will be no access road from the center down into Province Park and the Bemis Group will allow annual use of the event center facility by the Parks Department at no charge for one event. The Board unanimously approved.

b. Community Event Stage Policies & Fees

Chip presented the Board with the "Application for Rental of Mobile Stage" including the Mobile Stage Rental Policy, price list and other pertinent information. He asked members to review the information and be ready to discuss at the July 21, 2016 Park Board meeting.

6. **Staff Reports**

a. Deferred Maintenance Projects update

- The Blue Heron Shelter House concrete floor should be poured next week.
- The entire Greenway Trail system has been seal coated.
- The areas of the Morgan Park trail that had been damaged by tree roots have been repaired and seal coated.
- 63 damaged trees have been removed as well as 60+ more have been identified and many have also been removed. Approximately 20 trees still need removal.
- Cox Tree Service will be removing 13 to 15 damaged trees at Scott Park.
- The Sunset Shelter renovation has been completed.
- The Aquatic Center Chemical room doors have been replaced.
- Five more new vehicles for the Parks Department are expected within the next two weeks.

b. Family Aquatic Center update

We are on pace to surpass the 2015 revenue numbers at the Franklin Aquatic Center.

c. Firecracker Festival update

The set up for the festival will be 12:00 noon on Sunday, July 3, 2016 at the Masonic Home. The festivities will be from 6:00 pm until after fireworks at 10:10 pm

d. 2017 Budget process update

Chip will be meeting with Mayor McGuinness on July 11, 2016 to discuss the Parks 2017 budget.

7. **Park Board Comments**

None

8. **Public Comments**

Assistant Director Rocky Stultz reported that Eagle Scout Candidate Nicholas Wallace met with him to request an Eagle Scout Project of building a LifeTrail Wellness System unit in the Franklin Parks system. The Board gave Rocky permission to contact Nicholas with approval to begin his fund raising efforts. More discussion will be necessary to determine all the parameters and scope of the entire project.

9. **Adjournment**

Motion was made by Dr. John Shafer and seconded by Debbie Gill to adjourn the meeting. The Board unanimously approved.

**Next Board meeting: Tuesday, July 21, 2016 4:00 pm**
