The Franklin Board of Works meets on the 1st and 3rd Tuesday of each month at 9:30 a.m. in the Council Chambers of City Hall located at 70 E. Monroe Street. In order for an individual and/or agency to be considered for new business on the agenda, this reservation form and supporting documents must be received in the Mayor's office no later than 12:00 p.m. on the Wednesday prior to the Board of Works meeting.

Mayor,

In preparation for the Board of Works meeting tomorrow I wanted to send the following document which goes into details of speed bumps vs. speed humps/tables. I think the that situation on King Street would be a good candidate for a speed hump/table and include with it pedestrian crossing signs. As we discussed these could include flashers but I do not feel those would be necessary and instead I would suggest reflective painting on the speed hump/table for the driver to see. Obviously this would be more involved and cost more than just adding signs but I do think you would see better results with this application. Could this be installed by City crews? Or perhaps added into your paving program?

Please review and call me if you want to discuss. I will not be at the BPW meeting tomorrow but you can reach me on my cell at 502-2760.

Thanks,

Trent
