RE: 2011 Tax Abatement Compliance Packet for Amcor Rigid Plastics

Dear Ms. Linke

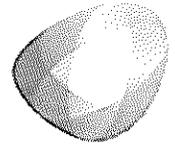

Enclosed, please find form CF-1/PP (Compliance with Statement of Benefits) regarding compliance with the personal property tax abatement granted to Amcor PET Packaging in 2005 under Franklin Common Council Resolution number 05-05.

As can be seen from reviewing the enclosed documents, our company exceeded the capital investment projected for this project. During the last quarter of 2008, however, the state of the economy caused Amcor to drop below the proposed and previously achieved headcount of 187. During 2011 our headcount fluctuated based sales volume, however, as of 2/28/12, we had 163 employees which is the same as 2011. We have recently completed our Fiscal Year 2013 (beginning July 1, 2012) budget, which forecasts increased production and a total headcount of 182. Our business outlook is continuing to improve as we gain new business and we expect to reach our proposed headcount again, as the economic environment continues to improve. We ask that you consider this economic recession as an acceptable reason to grant the exclusion to the headcount requirement.

Please review all of the enclosed documents and if you have any questions or concerns regarding this matter, please feel free to contact me at (317) 736-4313 ext. 1167.

Sincerely,

Janet Gearns

DEFICIENCY STATEMENT

While it has always been the intention of Amcor Rigid Plastics to maintain the projected headcount of 187 employees, the downturn of economy in the fall of 2008 required us to make a reduction in workforce necessary. At this time, Amcor Rigid Plastics employees 163 full-time people. We previously achieved beyond the required headcount of 190 for our abatement and strategize to do so again, as the economy recovers. Because we are addressing these concerns, it is our desire and request that the City of Franklin will look favourably upon our activities and grant us an extension of time to be in full compliance with our tax abatement commitments.
