

Inspiring all girls to be strong, smart, and bold™

November 12, 2013

Dear Mayor McGuinness and Board of Works,

On behalf of the board, staff, and members of Girls Inc. of Johnson County, we wish to express our sincerest gratitude for the service contract dollars you provide our agency. Because of your support in 2013 we were able to:

- increase our membership by 25%
- implement a Kindergarten "Boot Camp" for four and five year olds
- open a literacy lab
- provide over \$8,000 in scholarship assistance to families demonstrating a financial hardship
- partner with Atterbury Job Corps to provide Girls Inc. programs to 160 girls and young women each month
- provide self-defense classes through a partnership with Camp Atterbury soldiers. Fox 59 featured our partnership on the evening news. Watch the link on our Facebook page.

The girls we serve are the next generation of mothers, teachers, business owners, and civic leaders. Our members are the future workforce of Johnson County. Thank you for your investment in the betterment of our community.

Respectfully,

Sonya Ware-Meguiar
