Approval of Minutes

Old Business

New Business

Economic Development Agreement – Franklin Gateway Development

Rob Schafstall explained his recommendation for approval from RDC for the document so it can be sent on to Board of Works and City Council. The escrow agent has not been picked, so when the time comes for the escrow agreement, that decision will have to be made.

BJ Deppe asked several editing questions that were accepted.

Keith Fox made a motion to approve the agreement. Richard Wertz seconded. Passed.

Mr. Wertz asked for the time frame on other entities involved. Ms. Linke reviewed the schedule, acknowledging that there may need to be a special Board of Works meeting sooner than the regularly scheduled one. Nick Sprague responded that the regular Board of Works would be a delay, so prefers a special meeting sooner. Mr. Heuchan expressed excitement and support and Mr. Sprague responded on behalf of his mother the same.
