Re: Case PC 2018-22 (A): Linville Annexation - 8.711 ac. Graham Road

REQUEST:

Case PC 2018-22 (A)...Linville Annexation – 8.711 ac. Graham Road. A request by Fred Linville to annex 8.711 acres located north of 2160 N. Graham Road. The subject property is currently zoned IL (Industrial: Light).

ADJACENT PROPERTIES:

Surrounding Zoning:

North: IL (Industrial: Light)
South: IL (Industrial: Light)
East: IL (Industrial: Light)
West: IL (Industrial: Light)

Surrounding Land Use:

North: Agriculture
South: Animal Shelter
East: Industrial
West: Agriculture

CURRENT ZONING:

The “IL”, Industrial: Light zoning district is intended to provide locations for light production, assembly, warehousing, research & development facilities, and similar uses. This district is intended to accommodate only industrial uses that are completely contained within structures and do not involve the outdoor storage of materials or the release of potential environmental pollutants. This district should be used to support industrial retention and expansion in Franklin.

CONSIDERATIONS:

1. Fred Linville is requesting that 8.711 acres located north of 2160 N. Graham Road (Johnson County Animal Shelter) be annexed into the City of Franklin to plan for future development. See attached exhibit.
2. Indiana Code requirements (IC 36-4-3-5) for voluntary annexation are:
 - a. Consent of 51% of the property owners or owners of 75% of the total assessed value of the land for property tax purposes.
 - b. At least one-eighth (1/8 or 12.5%) of the aggregate external boundary of the proposed annexation area must be contiguous with the existing city limits. A strip of land less than one hundred fifty (150) feet wide is not considered contiguous. (IC 36-4-3-1.5)

3. The proposed annexation area is 50%% contiguous to the City of Franklin and 100% of the property owners are parties to the petition.
4. Public utilities are currently available in close proximity to the property.
5. The proposed annexation is located within the Needham Fire Protection District (est. 3-19-90 by Ord. 1990-5). IC 36-4-3-7 outlines the effectiveness of an annexation within a fire protection district. Effective date of annexation would be the second January 1 that follows the date the ordinance is adopted.
6. The Technical Review Committee reviewed the petition at their August 23, 2018 meeting. All technical review comments have been addressed.
7. The 2013 Franklin Comprehensive Plan, Land Use Plan, identifies this area as Light Industrial. "Light industrial areas include a variety of employment and production facilities. Uses in this area may include warehouses, distribution centers, assembly facilities, technology centers, research and manufacturing facilities, professional offices. Light industrial areas are distinguished from manufacturing areas in that manufacturing areas focus on the manipulation of unfinished products and raw materials. Light industrial facilities generally do not produce emissions of light, heat, sound, vibration, or odor and are completely contained within buildings. Some limited outdoor storage of finished products may occur. Light industrial areas may also include facilities which are complimentary to their role as employment centers. Such uses would include day care centers, parks and recreation facilities, banks, dry-cleaners, and other facilities designed to provide goods and services to the employees in the area."

PLAN COMMISSION ACTION:

Plan Commission action (either *favorable*, *unfavorable*, or *no recommendation*) is a recommendation to the City Council, which takes action on the annexation petition.

STAFF RECOMMENDATION:

Staff recommends a *favorable recommendation* be forwarded to the City Council.

FISCAL PLAN Linville Annexation 8.711 ac.

Project Description:

Name:	Linville Annexation – 8.711 ac.
Location:	8.711 ac. north of 2160 N. Graham Road
Size:	8.711 ac.
Number of Parcels:	1
Gross Density:	N/A
Existing Zoning:	Industrial: Light (IL)
Proposed Zoning:	Industrial: Light (IL)

Introduction:

Indiana Statute (IC 36-4-3-3.1) authorizes the City of Franklin, the annexing municipality, to develop and adopt by resolution, a fiscal plan for extension of municipal services to the annexed area.

In the preparation of the annexation fiscal plan, which is required by Indiana Code, the City of Franklin has determined and compared the cost of providing non-capital and capital services to the proposed Linville Annexation 8.711 ac. property owned by Maurice Fred & Helen Ann Linville with the potential tax revenue generated by the developed parcels. The detailed fiscal plan will identify the following:

1. The cost estimates for planned services to be furnished to the property to be annexed;
2. The method or methods of financing the planned services; and
3. The organization and extension of services.

This report has been created for the purpose of estimating the potential fiscal impact of new development and annexations to the City of Franklin. It is not intended to serve a specific budgetary purpose, but rather express estimated costs and benefits based on a set of level-of-service related assumptions.

Present Tax Rate/Assessed Valuation:

The corporate tax rate, established by the Indiana State Tax Board, for the City of Franklin during the tax year 2017 pay 2018 is \$1.3847 per \$100 of assessed value.

The total assessed value for the City of Franklin for the tax year 2017 pay 2018 is \$915,532,284.

Cost of Services Provided by the City of Franklin to the Annexed Property:

The City of Franklin will provide services of a capital and non-capital nature, which may include police, fire, road maintenance, parks and government administration, to the annexed property within one year of the completion of the annexation. Extension of services of a capital nature, if any, will be provided within three years of the completion of the annexation.

Method of Financing Services:

Cost of services is funded through the receipt of tax dollars. The City will receive additional property tax revenues annually from the proposed annexation. In addition, as the property is developed the tax revenue should increase as the assessed value increases.

The development of the property will also result in additional one time receipt of fees for petitions, land disturbance permit, building permits, and sanitary sewer tap-on permits.

Extension of Services:

The City of Franklin is committed to providing capital and non-capital services to the land proposed for annexation in the same manner as areas currently within the city limits, regardless of similarity. Any monetary figures presented here are merely estimates, subject to change. Many variables, including the rate and extent of future development, future property assessments, and fluctuations in the cost of providing various services are expected to have an influence.

The City of Franklin Departments of Planning & Engineering, Community Development, Public Works, Police, Fire, Parks, Clerk/Treasurer, and Street will assume and retain immediate responsibility.

Natural gas, electric, cable, telephone, and water services are provided by private utilities.

The City has provided sanitary sewer access to the west of this location. The developer provides local streets and connection to the sanitary sewer at the time of construction.

The intended use of the privately maintained property is for development purposes.

Annexation Considerations:

1. The petition was initiated with consent of the property owners and is therefore a voluntary annexation.
2. Contiguous to the City of Franklin, the subject property is necessary to help the City of Franklin manage growth and continue developing. For the purposes of determining “contiguity,” more than 1/8 or 12.5% of the aggregate external boundary of the subject property must be contiguous with the boundaries of the City of Franklin. The aggregate external boundary of the property is 2,621.49 feet. In this case, 1,312.65 feet or 50% of the property coincides with the boundaries of the City of Franklin, meeting the minimum requirement.
3. Non-capital services listed above and described in the fiscal plan become effective within one year and all other capital services, if any, for the area become effective within three years from the effective date of the annexation.
4. The annexed property shall be assigned to Council District 2.
5. The proposal submitted to incorporate the real estate meets the statutory requirements of IC 36-4-3 qualifying for annexation to the City of Franklin.
6. The fiscal plan is available for public review at the time the project is placed on the City Council agenda for public hearing. City Council must adopt the fiscal plan prior to approving the annexation request.
7. Linville Annexation – 8.711 ac. is recommended for annexation by the Plan Commission through Plan Commission Resolution Number 2018-22.
