And THE CITY OF FRANKLIN Concerning U.S. 31 PROJECT

EDS #A	249-		

This Interlocal Agreement ("Agreement") is made by and between the Indiana Department of Transportation (hereinafter referred to as "INDOT"), and the City of Franklin, Indiana (hereinafter referred to as the "CITY"), collectively referred to as the "PARTIES", is executed pursuant to the terms and conditions set forth herein and shall be effective as of the date of approval by the Office of the Indiana Attorney General. In consideration of those mutual undertakings and covenants, the Parties agree as follows:

RECITALS

WHEREAS, INDOT wishes to partner with the CITY to improve U.S 31 ("US 31") within the city of Franklin from South Main Street to Israel Lane, for the purpose of improving safety and mobility and to accommodate future economic growth in the region; and

WHEREAS, the PARTIES have concluded that the reconstruction of US 31, including, but not limited to, multi-use paths, intersection improvements, rehabilitating the roadway, and lighting under Des. Nos. 1800081, 1800082 and 1800083 (hereinafter the "Project"), would likely benefit both the local highway and state highway systems; and

WHEREAS, as part of ongoing efforts to promote economic development and job creation and to reduce traffic congestion on the state roadways and nearby local roads, the CITY wishes to cooperate with INDOT to construct Project; and

WHEREAS, the PARTIES currently estimate that costs of the Project (including costs of preliminary engineering, design, right-of-way acquisition, utility relocation, construction and inspection) will be approximately \$48,481,874.00; and

WHEREAS, the CITY has agreed to contribute local funds to cover costs of the preliminary engineering of the Project, including all change orders for the preliminary engineering, in an amount not to exceed, \$3,200,000.00; and

WHEREAS, INDOT agrees to let a contract for construction, and provide funding in an amount not to exceed <u>\$45,281,874.00</u> ("INDOT's Contribution") to complete construction of the Project in accordance with all applicable laws and standards and the terms of this Agreement; and

WHEREAS, in order to enhance both the state highway and local highway systems by building the Project, the PARTIES desire to cooperate in funding for the construction of the Project;

WHEREAS, INDOT shall have final approval over the CITY's design plans for the Project; and

NOW THEREFORE, in consideration of the premises and the mutually dependent covenants herein contained, the PARTIES hereto agree as follows:

I. <u>SPECIFIC PROVISIONS</u>

- **1.1. Project Description.** The Project shall include land acquisition, installation of a multi-use path, and intersection and other safety improvements. INDOT will not be responsible for any costs or overages that relate to the design of the Project. INDOT has prepared a preliminary project budget (attached as **Exhibit A** and incorporated herein by reference) and a concept drawing (attached as **Exhibit B** and incorporated herein by reference).
- 1.2. Project Delivery. In the interest of ensuring that the design and construction of the Project meets the needs of the traveling public on both the state and local highway systems and in order to provide the best value for taxpayers, the Parties have agreed that the CITY will be the lead agency on the procurement of design and preliminary engineering services which are subject to INDOT approval. The CITY shall directly hire and contract with a consultant to complete the work for the Project.

1.3. CITY's Responsibilities.

1.3.1. <u>Financial Responsibilities.</u> The CITY shall be solely responsible for the costs of the preliminary engineering, including right-of-way engineering, survey, design, environmental and utility coordination, of the Project in an amount not to exceed \$3,200,000.00. All change orders for the preliminary engineering shall be the sole responsibility of the CITY.

1.3.2. Project Responsibilities.

- A. The CITY shall complete all work necessary to prepare the Project for letting, including, but not limited to, the design, survey, environmental and utility coordination, of the Project. The CITY shall procure a consultant to prepare all contract documents required to let a contract, including all necessary plans, drawings and specifications. All such documents will be prepared in accordance with and referencing the INDOT Standard Specifications and the Indiana Design Manual as appropriate.
- B. The CITY shall follow the design submittal process in the INDOT Design Manual. The CITY shall provide all needed plans, tracings, and other preliminary engineering needed for the Project. INDOT shall be provided the opportunity to review and approve all design plans, and the CITY shall promptly ensure that any changes required by INDOT are incorporated into the final plans. The CITY understands and agrees that INDOT shall be the sole and final decision maker on anything that is related to and/or may impact the quality and function of US 31. All plans and other design work on the Project shall be completed in

accordance with all requirements of the most recent edition of INDOT's standard specifications.

1.4 INDOT'S Responsibilities.

1.4.1. Financial Responsibilities. INDOT shall be responsible for the costs of the construction, right-of-way services and acquisition, utility relocation and construction inspection for the Project in an amount not to exceed \$45,281,874.00.

1.4.2. Project Responsibilities.

- A. INDOT will provide all utility relocation, right-of-way services, acquisition, construction and construction inspection necessary for the Project. INDOT will let and award the Project for construction through its usual processes.
- B. INDOT shall have the right to review and approve all design plans for the Project that are to be constructed as part of the Project and located on INDOT right-of-way. INDOT shall promptly notify the CITY in the event that changes are required. INDOT shall be the sole and final decision maker on anything that is related to and/or may impact the quality and function of US 31.
- C. INDOT will manage, administer, and inspect the Project in accordance with applicable laws and INDOT policies, procedures and specifications. In the event it becomes necessary for INDOT to hire a consultant to conduct construction inspection services, the funding for inspection services will be included as part of INDOT's Contribution.

1.5. Payment of Project Costs.

- **1.5.1.** Funding Contribution from the CITY. The CITY agrees to contribute preliminary costs in an estimated amount not to exceed \$3,200,000.00 towards the Project from local (non-federal) funding sources available to the CITY. The CITY shall be responsible for the preliminary engineering, including right-of-way engineering, environmental, design, survey and utility coordination costs, and shall hire a consultant and make direct payments to the consultant for such costs. The CITY shall be financially responsible for all change orders for the preliminary engineering.
 - **1.5.1.1.** Any additional expenses or enhancements that are requested by the CITY shall be the sole financial responsibility of the CITY.
 - **1.5.1.2.** The CITY shall also be solely responsible for all change orders which exceeds INDOT's Contribution.
 - **1.5.2.** Funding Contribution from INDOT. INDOT agrees to contribute toward the costs of the Project in an amount not to exceed (\$45,281,874.00) in federal-aid highway funds. Nothing in this Agreement shall be deemed to restrict INDOT's ability to manage available funding sources in providing funds for the Project.

- 1.5.3. If, at any point in the project development or letting process, it appears the total Project cost (including construction and other project costs) may exceed \$48,481,874.00, or if termination pursuant to Section 2.20 is likely due to INDOT's inability to financially fund the Project, the Project shall be re-scoped with the input and cooperation of the Parties, considering state and local transportation system needs, surrounding infrastructure and economic development interests. However, the final revised project scope shall be determined by INDOT. If it becomes necessary to re-scope the Project, any modifications and/or additions the current scope, shall be the sole financial responsibility of the CITY. If re-scoping the Project is required, the Parties understand and agree that an amendment of this Agreement may be necessary.
- **1.6.** The Parties agree that they will enter into a separate Joint Use and Maintenance Agreement (a similar draft copy of an agreement is attached hereto as **Exhibit C**) concerning the future maintenance of the multi-use paths and lighting.
- 1.7. <u>Duration and Renewal of Agreement</u>. The term of this Agreement shall be from the date upon which the Agreement is approved by the Office of the Indiana Attorney General through December 31, 2027, or completion of final audit of the Project by INDOT, whichever occurs first. This Agreement may be renewed or extended under the same terms and conditions subject to the approval of all signing Parties.
- **1.8. Project Coordination.** INDOT and the CITY agree to review and coordinate all plans and schedules pertaining to the Project.
- 1.9. Public Statements or Disclosures. The PARTIES shall consult with each other and must agree as to the timing, content, and form before issuing any press release or other public statements or disclosures related to the Project or this Agreement. However, this Section does not prohibit either of the PARTIES from making a public statement or disclosure regarding this Agreement or the Project if, in the opinion of a PARTY's legal counsel, such a disclosure is required by law, including but not limited to Indiana's Access to Public Records Act (IC 5-14-3), legal process or directive of a regulatory authority having jurisdiction over either PARTY.
- **1.10.** <u>Interpretation</u>. The Recitals recorded above are incorporated by reference into this Agreement.

II. GENERAL PROVISIONS

2.1. Access to Records. The CITY shall maintain all books, documents, papers, correspondence, accounting records and other evidence pertaining to the cost incurred under this Agreement, and shall make such materials available at their respective offices at all reasonable times during the period of this Agreement and for ten (10) years from the date of final payment under the terms of this Agreement, for inspection or audit by INDOT, or its authorized designees. Copies shall be furnished at no cost to INDOT if requested.

- **2.2.** Audit. The CITY acknowledges that it may be required to submit to an audit of funds paid through this Agreement. Any such audit shall be conducted in accordance with IC 5-11-1, et. seq. and audit guidelines specified by the State. The State consider the CITY to be a "Contractor" under 2 CFR 200.300 for purposes of this Agreement. - **2.3.** Authority to Bind CITY. The signatory for the CITY represents that he/she has been duly authorized to execute this Agreement on behalf of the CITY, and has obtained all necessary or applicable approvals to make this Agreement fully binding upon the CITY when his/her signature is affixed and accepted by the State.
- **2.4.** Certification for Federal-aid Contracts Lobbying Activities. The CITY certifies, by signing and submitting this Agreement, to the best of its knowledge and belief that the CITY has complied with Section 1352, Title 31, U.S. Code, and specifically, that:
- A. No federal appropriated funds have been paid or will be paid, by or on behalf of the CITY, to any person for influencing or attempting to influence an officer or employee of any federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal agreements, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal agreement, grant, loan, or cooperative agreement.
- **B.** If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with such federal agreement, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
- C. The CITY also agrees by signing this Agreement that it shall require that the language of this certification be included in all contractor agreements including lower tier subcontracts, which exceed \$100,000, and that all such sub recipients shall certify and disclose accordingly. Any person who fails to sign or file this required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each failure.

2.5. Compliance with Laws.

A. The CITY shall comply with all applicable federal, state, and local laws, rules, regulations, and ordinances, and all provisions required thereby to be included herein are hereby incorporated by reference. The enactment or modification of any applicable state or federal statute or the promulgation of rules or regulations thereunder after execution of this Agreement shall be reviewed by the State and the CITY to determine whether the provisions of this Agreement require formal modification.

- B. The CITY and its agents shall abide by all ethical requirements that apply to persons who have a business relationship with the State as set forth in IC §4-2-6, et seq., IC §4-2-7, et seq. and the regulations promulgated thereunder. If the CITY has knowledge, or would have acquired knowledge with reasonable inquiry, that a state officer, employee, or special state appointee, as those terms are defined in IC 4-2-6-1, has a financial interest in the Agreement, the CITY shall ensure compliance with the disclosure requirements in IC 4-2-6-10.5 prior to the execution of this Agreement. If the CITY is not familiar with these ethical requirements, the CITY should refer any questions to the Indiana State Ethics Commission, or visit the Inspector General's website at http://www.in.gov/ig/. If the CITY or its agents violate any applicable ethical standards, the State may, in its sole discretion, terminate this Agreement immediately upon notice to the CITY. In addition, the CITY may be subject to penalties under IC §§4-2-6, 4-2-7, 35-44.1-1-4, and under any other applicable laws.
 - C. [OMITTED NOT APPLICABLE.]
 - D. [OMITTED NOT APPLICABLE.]
 - E. [OMITTED NOT APPLICABLE.]
- **F.** The CITY warrants that the CITY and its contractors shall obtain and maintain all required permits, licenses, registrations, and approvals, and shall comply with all health, safety, and environmental statutes, rules, or regulations in the performance of work activities under this Agreement. Failure to do so may be deemed a material breach of this Agreement and grounds for immediate termination and denial of further work with the State.
 - G. [OMITTED NOT APPLICABLE.]
 - **H.** As required by IC §5-22-3-7:
 - (1) The CITY and any principals of the CITY certify that:
 - (A) the CITY, except for de minimis and nonsystematic violations, has not violated the terms of:
 - i. IC §24-4.7 [Telephone Solicitation Of Consumers];
 - ii. IC §24-5-12 [Telephone Solicitations]; or
 - iii. IC §24-5-14 [Regulation of Automatic Dialing Machines];

in the previous three hundred sixty-five (365) days, even if IC §24-4.7 is preempted by federal law; and

- (B) the CITY will not violate the terms of IC §24-4.7 for the duration of the Agreement, even if IC §24-4.7 is preempted by federal law.
- (2) The CITY and any principals of the CITY certify that an affiliate or principal of the CITY and any agent acting on behalf of the CITY or on behalf of an affiliate or principal of the CITY, except for de minimis and nonsystematic violations,
 - (A) has not violated the terms of IC §24-4.7 in the previous three hundred sixty-five (365) days, even if IC §24-4.7 is preempted by federal law; and
- (B) will not violate the terms of IC §24-4.7 for the duration of the Agreement, even if IC §24-4.7 is preempted by federal law.

2.6. Debarment and Suspension.

- A. The CITY certifies by entering into this Agreement that neither it nor its principals nor any of its contractors are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from entering into this Agreement by any federal agency or by any department, agency or political subdivision of the State of Indiana. The term "principal" for purposes of this Agreement means an officer, director, owner, partner, key employee or other person with primary management or supervisory responsibilities, or a person who has a critical influence on or substantive control over the operations of the CITY.
- B. The CITY certifies that it has verified the state and federal suspension and debarment status for all contractors receiving funds under this Agreement and shall be solely responsible for any recoupment, penalties or costs that might arise from use of a suspended or debarred contractor. The CITY shall immediately notify INDOT if any contractor becomes debarred or suspended, and shall, at INDOT's request, take all steps required by INDOT to terminate its contractual relationship with the contractor for work to be performed under this Agreement.

2.7. Drug-Free Workplace Certification.

As required by Executive Order No. 90-5 dated April 12, 1990, issued by the Governor of Indiana, the CITY hereby covenants and agrees to make a good faith effort to provide and maintain a drug-free workplace. The CITY will give written notice to the State within ten (10) days after receiving actual notice that the CITY, or an employee of the CITY in the State of Indiana, has been convicted of a criminal drug violation occurring in the workplace. False certification or violation of this certification may result in sanctions including, but not limited to, suspension of contract payments, termination of this Agreement and/or debarment of contracting opportunities with the State for up to three (3) years.

In addition to the provisions of the above paragraph, if the total amount set forth in this Agreement is in excess of \$25,000.00, the CITY certifies and agrees that it will provide a drug-free workplace by:

- **A.** Publishing and providing to all of its employees a statement notifying them that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the CITY's workplace, and specifying the actions that will be taken against employees for violations of such prohibition;
- **B.** Establishing a drug-free awareness program to inform its employees of (1) the dangers of drug abuse in the workplace; (2) the CITY's policy of maintaining a drug-free workplace; (3) any available drug counseling, rehabilitation and employee assistance programs; and (4) the penalties that may be imposed upon an employee for drug abuse violations occurring in the workplace;
- C. Notifying all employees in the statement required by subparagraph (A) above that as a condition of continued employment, the employee will (1) abide by the terms of the statement; and

- (2) notify the CITY of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction;
- **D.** Notifying the State in writing within ten (10) days after receiving notice from an employee under subdivision (C)(2) above, or otherwise receiving actual notice of such conviction;
- **E.** Within thirty (30) days after receiving notice under subdivision (C)(2) above of a conviction, imposing the following sanctions or remedial measures on any employee who is convicted of drug abuse violations occurring in the workplace: (1) taking appropriate personnel action against the employee, up to and including termination; or (2) requiring such employee to satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state or local health, law enforcement, or other appropriate agency; and
- **F.** Making a good faith effort to maintain a drug-free workplace through the implementation of subparagraphs (A) through (E) above.

2.8. Employment Eligibility Verification.

The CITY affirms under the penalties of perjury that they do not knowingly employ an unauthorized alien. The CITY further agrees that:

- **A.** The CITY shall enroll in and verify the work eligibility status of all its newly hired employees through the E-Verify program as defined in IC 22-5-1.7-3. The CITY is not required to participate should the E-Verify program cease to exist. Additionally, the CITY is not required to participate if the CITY is self-employed and do not employee any employees.
- **B.** The CITY shall not knowingly employ or contract with an unauthorized alien. The CITY shall not retain an employee or contract with a person that the CITY subsequently learns is an unauthorized alien.
- C. The CITY shall require its subcontractors, who perform work under this Agreement, to certify to the CITY that the subcontractor does not knowingly employ or contract with an unauthorized alien and that the subcontractor has enrolled and is participating in the E-Verify program. The CITY agrees to maintain this certification throughout the duration of the term of a contract with a subcontractor.

The State may terminate for default if the CITY fails to cure a breach of this provision no later than thirty (30) days after being notified by the State.

2.9. Force Majeure. In the event that any Party is unable to perform any of its obligations under this Agreement or to enjoy any of its benefits because of natural disaster or decrees of governmental bodies not the fault of the affected Party (hereinafter referred to as a "Force Majeure Event"), the Party who has been so affected shall immediately or as soon is reasonably possible under the circumstances give notice to the other Party and shall do everything possible to resume performance. Upon receipt of such notice, all obligations under this Agreement shall be immediately suspended. If the period of nonperformance exceeds thirty (30) days from the receipt of notice of the Force Majeure Event, the

Party whose ability to perform has not been so affected may, by giving written notice, terminate this Agreement.

- **2.10.** Funding Cancellation Clause. As required by Financial Management Circular 2007-1 and IC 5-22-17-5, when the Director of the State Budget Agency makes a written determination that funds are not appropriated or otherwise available to support continuation of the performance of this Agreement, this Agreement shall be canceled. A determination by the Director of State Budget Agency that funds are not appropriated or otherwise available to support continuation of performance shall be final and conclusive.
- **2.11.** Governing Laws. This Agreement shall be governed, construed and enforced in accordance with the laws of the State of Indiana without regard to its conflict of laws rules. Suit, if any, must be brought in the State of Indiana.
- 2.12. <u>Indemnification</u>. The CITY agrees to indemnify, defend, exculpate and hold harmless the State of Indiana, and its officials and employees from any liability due to loss, damage, injuries, or other causalities of whatever kind, to the person or property of anyone arising out of, or resulting from the performance of this Agreement or the work connected therewith that is the responsibility of the CITY as defined by this Agreement, or from the installation, existence, use, maintenance, condition, repairs, alteration or removal of any equipment or material, to the extent such liability is caused by the negligence of the CITY, including any claims arising out the Worker's Compensation Act or any other law, ordinance, order or decree. INDOT shall **not** provide indemnification to the CITY. The CITY agrees to pay all reasonable expenses and attorney's fees incurred by or imposed on the State and INDOT in connection herewith in the event that the CITY shall default under the provisions of this Section. This provision and agreement to indemnify, defend, exculpate and hold harmless does NOT apply to third party claims or litigation arising from changes to access to U.S. 31 made by INDOT, condemnation, inverse condemnation or right-of-way acquisition claims.

The CITY agrees to pay all reasonable expenses and attorney's fees incurred by or imposed on the State and INDOT in connection herewith in the event that the CITY shall default under the provisions of this Section.

2.13. Merger & Modification. This Agreement constitutes the entire Agreement between the PARTIES. No understandings, Agreements, or representations, oral or written, not specified within this Agreement will be valid provisions of this Agreement. This Agreement may not be modified, supplemented, or amended, except by written Agreement signed by all necessary Parties.

2.14. Non-Discrimination.

A. Pursuant to the Indiana Civil Rights Law, specifically including IC 22-9-1-10, and in keeping with the purposes of the Civil Rights Act of 1964, the Age Discrimination in Employment Act, and the Americans with Disabilities Act, the CITY covenants that it shall not discriminate against any employee or applicant for employment relating to this Agreement with respect to the hire, tenure, terms, conditions or privileges of employment or any matter directly or indirectly related to employment, because of the employee's or applicant's race, color, national origin, religion, sex, age, disability, ancestry, status as a veteran, or any other characteristic protected by federal, state or local law ("Protected Characteristics"). The CITY certifies compliance with applicable federal laws,

regulations and executive orders prohibiting discrimination based on the Protected Characteristics in the provision of services. Breach of this paragraph may be regarded as a material breach of this Agreement, but nothing in this paragraph shall be construed to imply or establish an employment relationship between the State and any applicant or employee of the CITY or any subcontractor.

B. INDOT is a recipient of federal funds, and therefore, where applicable, the CITY and any subcontractors shall comply with requisite affirmative action requirements, including reporting, pursuant to 41 CFR Chapter 60, as amended, and Section 202 of Executive Order 11246 as amended by Executive Order 13672.

The CITY agrees that if the CITY employs fifty (50) or more employees and does at least \$50,000.00 worth of business with the State and is not exempt, the CITY will comply with the affirmative action reporting requirements of 41 CFR 60-1.7. The CITY shall comply with Section 202 of executive order 11246, as amended, 41 CFR 60-250, and 41 CFR 60-741, as amended, which are incorporated herein by specific reference. Breach of this covenant may be regarded as a material breach of Contract.

It is the policy of INDOT to assure full compliance with Title VI of the Civil Rights Act of 1964, the Americans with Disabilities Act and Section 504 of the Vocational Rehabilitation Act and related statutes and regulations in all programs and activities. Title VI and related statutes require that no person in the United States shall on the grounds of race, color or national origin be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. (INDOT's nondiscrimination enforcement is broader than the language of Title VI and encompasses other State and Federal protections. INDOT's nondiscrimination enforcement shall include the following additional grounds: sex, sexual orientation, gender identity, ancestry, age, income status, religion, disability, income status, limited English proficiency, or status as a veteran.)

- C. During the performance of this Agreement, the CITY, for itself, its assignees and successors in interest (hereinafter referred to as the "CITY") agrees to the following assurances under Title VI of the Civil Rights Act of 1964:
- 1. <u>Compliance with Regulations</u>: The CITY shall comply with the regulations relative to nondiscrimination in Federally-assisted programs of the Department of Transportation, Title 49 CFR Part 21, as they may be amended from time to time (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this Agreement.
- 2. <u>Nondiscrimination</u>: The CITY, with regard to the work performed by it during the Agreement, shall not discriminate on the grounds of race, color, sex, sexual orientation, gender identity, national origin, religion, disability, ancestry, or status as a veteran in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The CITY shall not participate either directly or indirectly in the discrimination prohibited by section 21.5 of the Regulation, including employment practices when the Agreement covers a program set forth in Appendix B of the Regulations.
- 3. <u>Solicitations for Subcontracts, Including Procurements of Materials and Equipment</u>: In all solicitations either by competitive bidding or negotiation made by the CITY for work to be performed under a subcontract, including procurements of materials or leases of

equipment, each potential subcontractor or supplier shall be notified by the CITY of the CITY's obligations under this Agreement, and the Regulations relative to nondiscrimination on the grounds of race, color, sex, sexual orientation, gender identity, national origin, religion, disability, ancestry, income status, limited English proficiency, or status as a veteran.

- 4. <u>Information and Reports</u>: The CITY shall provide all information and reports required by the Regulations, or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Indiana Department of Transportation and Federal Highway Administration to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of a CITY is in the exclusive possession of another who fails or refuses furnish this information, the CITY shall so certify to the Indiana Department of Transportation or the Federal Highway Administration as appropriate, and shall set forth what efforts it has made to obtain the information.
- 5. <u>Sanctions for Noncompliance</u>: In the event of the CITY's noncompliance with the nondiscrimination provisions of this Agreement, the Indiana Department of Transportation shall impose such contract sanctions as it or the Federal Highway Administration may determine to be appropriate, including, but not limited to: (a) withholding payments to the CITY under the Agreement until the CITY complies, and/or (b) cancellation, termination or suspension of the Agreement, in whole or in part.
- 6. <u>Incorporation of Provisions</u>: The CITY shall include the provisions of paragraphs 1. through 5. in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto.

The CITY shall take such action with respect to any subcontract or procurement as the Indiana Department of Transportation or the Federal Highway Administration may direct as a means of enforcing such provisions including sanctions for non-compliance, provided, however, that in the event the CITY becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction, the CITY may request the Indiana Department of Transportation to enter into such litigation to protect the interests of the Indiana Department of Transportation, and, in addition, the CITY may request the United States of America to enter into such litigation to protect the interests of the United States of America.

EDS No.	
---------	--

This Joint Use and Maintenance Agreement ("Agreement") is made by and between the Indiana Department of Transportation (hereinafter referred to as "INDOT"), and the City of Franklin, Indiana (hereinafter referred to as the "CITY"), collectively referred to as the "PARTIES", is executed pursuant to the terms and conditions set forth herein and shall be effective as of the date of approval by the Office of the Indiana Attorney General. In consideration of those mutual undertakings and covenants, the Parties agree as follows:

RECITALS

WHEREAS, the PARTIES entered into an Interlocal Agreement, which included installation of multi-use paths along U.S. 31 (the "Paths"), as shown in **Exhibit A**; and

WHEREAS, the CITY desires to install lighting ("Enhancements") along US 31, as shown in **Exhibit A**; and

WHEREAS, the PARTIES desire to delineate certain maintenance responsibilities, concerning the installation and maintenance of the Enhancements and the Paths; and

WHEREAS, the CITY shall be solely responsible to maintain the Paths after their installation to the satisfaction of INDOT and pay for all costs associated with future maintenance; and

WHEREAS, the CITY shall be solely responsible for all costs associated with the installation and maintenance of the Enhancements; and

WHEREAS, the maintenance will occur within the State owned or controlled right-of-way, under the jurisdiction of INDOT, as shown in **Exhibit A**; and

WHEREAS, it is of mutual interest for INDOT and the CITY to cooperate in maintaining the Paths and Enhancements for the convenience and safety of the public;

NOW, THEREFORE, the PARTIES to this Agreement hereby agree to the following terms and conditions:

ARTICLE I. PURPOSE AND TERM

- **1.1. Preamble.** The Preamble and Recitals recorded above are incorporated by reference into this Agreement. All captions, section headings, paragraph titles and similar items are provided for the purpose of reference and convenience and are not intended to be inclusive, definitive or to affect the interpretation of this Agreement.
- **1.2.** Purpose. The purpose of this Agreement is to delineate maintenance responsibilities and the costs associated with said maintenance for the Paths and Enhancements. The CITY understands and agrees that if and when the Paths and/or Enhancements conflict with the operation, maintenance, regulation, construction or reconstruction of any part of INDOT R/W or any other state highway facility, the Paths and/or Enhancements shall be altered or removed entirely to accommodate use of INDOT highway right-of-way for state highway purposes, at no cost to INDOT.
- **1.3.** Term. This Agreement shall be effective on the date it is approved as to form and legality by the Office of the Indiana Attorney General and may be renewed. This Agreement shall terminate twenty-five (25) years from the effective date, unless either of the following conditions occurs or unless terminated under the provisions of this Agreement.
- Temporary Joint Use of Right-of-Way. Subject to the terms and conditions of this 1.4. Agreement, INDOT grants to the CITY, its employees and its contractors permission to enter upon the State-owned or controlled right of way, as identified in Exhibit A (the "Right-of-Way"), for the sole and exclusive purposes of inspecting, maintaining, operating and repairing the Paths and/or Enhancements. The CITY shall notify INDOT of its intent of entering on to the Right-of-Way whenever doing so could affect flow of traffic or the safety of the traveling public on US 31 at least ten (10) business days before commencing any such work. This includes even routine maintenance and repair activities if traffic on US 31 may be affected. Pursuant to applicable state and federal law, for highway and limited access facilities, INDOT must grant written permission for each entry into the Right-of-Way, which must be based on specific traffic control and/or worker safety plans. Accordingly, as a condition precedent to giving effective notice, the CITY shall provide to INDOT all such traffic control and worker safety plans and other information as INDOT shall request or require in connection with granting such permission. The CITY shall not enter upon the Right-of-Way until the CITY has received written approval from INDOT, which shall not be unreasonably withheld, to enter upon the Right-of-Way. INDOT shall only be required to approve the CITY's request to enter upon the Right-of-Way if the CITY's request is consistent with all applicable federal and state laws and this Agreement.
- **1.5. No Interest in the Land.** The parties understand that this Agreement does not: (1) grant any interest or other rights in the land, either temporarily or permanently; or (2) establish a shared-use facility which would require replacement if INDOT has a need to use the affected property for highway purposes in the future.

ARTICLE II. CITY'S RESPONSIBILITIES

- 2.1. Any use of the Right-of-Way permitted by this Agreement remains secondary to the interest of INDOT to use the Right-of-Way for highway or other transportation purposes. The CITY agrees that it shall surrender the Right-of-Way upon which the Enhancements and/or Paths or their infrastructure are located, whether in part or in its entirety, if, in INDOT's discretion, the Right-of-Way or any portion thereof, is required for future expansion, modification, or maintenance of US 31. The CITY understands and agrees that it shall not be entitled to any damages or any other compensation in the event that INDOT requires complete or partial removal of the Enhancements and/or Paths, or their infrastructure for any reason. Except in cases of emergency (i.e., eminent threat of harm to the traveling public), INDOT will provide one hundred twenty (120) days written notice to the CITY that the Paths and/or Enhancements must be removed or modified. If the Paths and/or Enhancements are not removed or modified to INDOT's satisfaction within one hundred twenty (120) days of issuance of notice under this Section, INDOT may remove the Paths and/or Enhancements and bill the CITY for costs of removal.
- **2.2.** The CITY shall not erect any signs, sculptures or structures within state-owned or controlled right-of-way without the prior approval of INDOT.
- 2.3. Subject to the terms and conditions of this Agreement, and prior to entering state-owned or controlled right-of-way, the CITY shall apply for a right-of-way permit for all construction, installation and maintenance by the CITY (or other parties contracted by the CITY) within state-owned or controlled right-of-way. This Agreement, in no way, binds INDOT to the issuance of any permit to the CITY. However, INDOT agrees, in good faith, to review the CITY's application, and if appropriate, issue a permit to the CITY. The CITY shall notify INDOT of its intent to enter state-owned or controlled right-of-way a minimum of five (5) business days before commencing work for approved activities as specified within this Agreement.
- **2.4.** The CITY shall perform, or cause to be performed, all necessary routine maintenance for the Enhancements and Paths, including without limitation, drainage, curbs, curb ramps, sidewalks and landscaping; this will also include mowing, trash removal and the removal of noxious weeds or undesirable plants at least six (6) times per year. The CITY shall remove litter prior to mowing. The CITY shall undertake maintenance of the Enhancements and Paths as needed to ensure the safety of the motoring public and Path users.
- **2.5**. In accordance with Section 2.3 of this Agreement, the CITY shall notify INDOT and submit a Maintenance of Traffic (MOT) plan thirty (30) days prior to <u>any</u> maintenance or construction activities if such activities require lane closures or traffic restrictions on US 31.
- **2.6**. In the event that future installation of lighting occurs on the Paths, the cost of the design, installation and maintenance shall be borne by the CITY or participating municipality and covered by a separate agreement between INDOT and the owner of the lighting. INDOT shall not be responsible for the costs of any fees for any utility services serving the Paths' infrastructure.

- 2.7. The CITY shall pay all the fees for any utility services serving the Enhancements and Paths. Any separately-metered utilities shall be billed directly to the CITY, and INDOT shall have no obligation with respect thereto. Any utility fees related to utilities that are not separately metered shall be prorated by INDOT, on a reasonable basis and the CITY shall pay any amount it owes within thirty (30) days of receiving an invoice for the same.
- **2.8**. When performing work required hereunder, the CITY shall at all times adhere to the traffic control measures found in the most recent version of the Manual on Uniform Traffic Control Devices, as then-currently adopted by INDOT.
- 2.9. The CITY shall conduct all sidewalk maintenance and reconstruction work in accordance with all applicable federal and state laws as well as INDOT and FHWA standards and good engineering practices as set forth in the following: (1) Title 23, U.S. Code, Highways, (2) the regulations issued pursuant thereto, (3) the Americans with Disabilities Act of 1990, (4) I.C. 36, and (5) the policies and procedures promulgated by INDOT and FHWA relative to the Agreement.
- **2.10.** The CITY shall be responsible for the CITY's improvements within the state-owned or controlled right-of-way. To the extent permitted by law, the CITY shall indemnify and hold INDOT harmless for any claims arising out of the above-said items within the state-owned or controlled right-of-way. This is in addition to representations provided under Section 4.22 of this Agreement. This section of this Agreement shall survive termination of this Agreement.
- **2.11.** After the initial construction and acceptance of the Paths, if the CITY wishes to install additional improvements within state-owned and controlled right-of-way, prior to construction, the CITY shall submit a design plan to INDOT's Seymour District for review and approval.
- 2.12. In the event that INDOT determines, in its sole reasonable discretion, that the CITY is not adequately maintaining the Enhancements and/or Paths, or for any other justified reason (i.e., safety concerns for either Path users or the motoring public, change in policy, requirement for compliance with federal law or other federal mandate, etc.), INDOT may order the CITY to remove or modify the Enhancements and/or Paths at the CITY's expense. Except in cases of emergency (i.e., eminent threat of harm to the traveling public, whether on the Paths or on a highway facility), INDOT will provide ninety (90) days written notice to the CITY that the Paths must be removed or modified. If the Enhancements and/or Paths (including any accompanying structures, landscaping or lighting) is not removed or modified to INDOT's satisfaction within ninety (90) days of issuance of notice under this Section, INDOT may remove the Paths and bill the CITY for costs of removal.
- **2.13**. Maintenance activities performed on landscaping or any portion thereof shall not create any adverse impact or interfere with the safety and travel of the motoring public.
- **2.14.** On an annual basis, but no later than March 31st of each year, the CITY shall submit to the Seymour District Permit Manager a maintenance plan for approval prior to commencement of any maintenance activities within state-owned and controlled right-of-way. The Seymour District Permit Manager shall promptly notify the CITY of any concerns or deficiencies in the plan.

2.15. LANDSCAPING MAINTENANCE.

- A. Every year, the CITY shall send a landscaping maintenance plan to the INDOT Contact listed in Section 4.31(A) of this Agreement for approval. The landscaping maintenance plan shall identify the types of maintenance activities to be completed and an estimated schedule of when these activities will occur.
- B. All landscaped areas shall have maintenance performed a minimum of six (6) times per year. This maintenance shall include the removal of noxious weeds and undesirable plants. Any shrub trimming or tree pruning should be completed at the proper time recommended for the species.
- C. Any grassy areas of the landscaping shall be mowed approximately one (1) week prior to any federal holiday between May 1 and October 1 for each calendar year, and litter pick-up shall be done prior to the mowing.
- D. The INDOT Seymour Maintenance Director may direct the CITY to mulch landscaped areas shown on construction plans as areas to be mulched. Provided that the CITY had fourteen (14) days' notice from INDOT, all mulching shall be done by May 15 for each calendar year.
- E. The CITY may request in writing that locations upon INDOT's highway system be added to or removed from <u>Exhibit A</u>. Written approval from the Seymour District Deputy Commissioner is required before a change to <u>Exhibit A</u> is effective. Terms of this Agreement shall apply to locations added to <u>Exhibit A</u> as if the added location had been an original part of this Agreement.
- F. The CITY shall conduct all maintenance work in accordance with all applicable federal and state laws as well as INDOT standards, policies and procedures promulgated by INDOT relative to this Agreement.
- **2.16.** The CITY shall be responsible for bi-annual inspections of the Paths. The CITY shall cause the inspections to be performed by INDOT pre-qualified inspectors and said inspections shall be at the sole cost of the CITY. The CITY shall provide the inspection reports to INDOT upon INDOT's request at no charge to INDOT.

ARTICLE III. INDOT's RESPONSIBILITIES

- **3.1**. INDOT shall have approval authority for the CITY's maintenance plans of the Enhancements, Paths and for any improvements on or along the Paths located within state-owned or controlled right-of-way. Such review and approval shall be completed in a reasonable period of time.
- **3.2.** Under no circumstances shall INDOT be responsible for any cost of maintenance, operation, regulation or removal of the Paths or Paths' improvements.

- **3.3.** Under no circumstances shall INDOT be responsible for any cost of construction, installation, maintenance, operation, regulation or removal of the Enhancements.
- **3.4.** In the event the CITY fails to timely complete any necessary repairs, inspection, or maintenance to the Enhancements and Paths or remediate any damage caused in whole or in part by the Enhancements and Paths, in the interest of the safety of the motoring public, INDOT may complete any necessary repairs and invoice the CITY for the total cost of the repair. The CITY shall pay each invoice within thirty (30) days of issuance of the invoice. The CITY's failure to pay any invoice received from INDOT may result in removal of the TRAIL from state owned or controlled right-of-way.

ARTICLE IV. GENERAL PROVISIONS

- **4.1.** Access to Records. The CITY shall maintain all books, documents, papers, correspondence, accounting records and other evidence pertaining to the cost incurred under this Agreement, and shall make such materials available at their respective offices at all reasonable times during the period of this Agreement and for ten (10) years from the date of final payment under the terms of this Agreement, for inspection or audit by INDOT, or its authorized representative, and copies thereof shall be furnished free of charge, if requested by INDOT. The CITY agree that, upon request by any Party or state or federal agency, INDOT may release or make available to the agency any working papers from an audit performed by INDOT of the CITY in connection with this Agreement, including any books, documents, papers, accounting records and other documentation which support or form the basis for the audit conclusions and judgments.
- **4.2.** <u>Assignment; Successors</u>. The CITY binds their successors and assignees to all the terms and conditions of this Agreement. Except as otherwise specifically provided herein, the CITY shall not assign or subcontract the whole or any part of this Agreement without INDOT's prior written consent.
- **4.3.** Assignment of Antitrust Claims. As part of the consideration for this Agreement, the CITY assigns to the State all right, title and interest in and to any claims the CITY now has, or may acquire, under state or federal antitrust laws relating to the products or services which are the subject of this Agreement.
- **4.4.** Audits. The CITY acknowledges that it may be required to submit to an audit of funds paid, if any, through this Agreement. Any such audit shall be conducted in accordance with IC §5-11-1, et seq., and audit guidelines specified by the State.
- **4.5.** Authority to Bind the CITY. The signatory for the CITY represents that he/she has been duly authorized to execute this Agreement on behalf of the CITY and has obtained all necessary or applicable approvals to make this Agreement fully binding upon the CITY when his/her signature is affixed, and accepted by the State.
- 4.6. <u>Changes in Work.</u> [OMITTED NOT APPLICABLE.]

- **4.7.** Certification for Federal-Aid Contracts Lobbying Activities. The CITY certifies, by signing and submitting this Agreement, to the best of its knowledge and belief that the CITY has complied with Section 1352, Title 31, U.S. Code, and specifically, that:
- **A.** No federal appropriated funds have been paid or will be paid, by or on behalf of the CITY, to any person for influencing or attempting to influence an officer or employee of any federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal agreements, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal agreement, grant, loan, or cooperative agreement.
- **B.** If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with such federal agreement, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
- C. The CITY also agrees by signing this Agreement that it shall require that the language of this certification be included in all contractor agreements including lower tier subcontracts, which exceed \$100,000, and that all such sub recipients shall certify and disclose accordingly. Any person who fails to sign or file this required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each failure.

4.8. Compliance with Laws.

- **A.** The CITY shall comply with all applicable federal, state, and CITY laws, rules, regulations, and ordinances, and all provisions required thereby to be included herein are hereby incorporated by reference. The enactment or modification of any applicable state or federal statute or the promulgation of rules or regulations thereunder after execution of this Agreement shall be reviewed by the State and the CITY to determine whether the provisions of this Agreement require formal modification.
- B. The CITY and its agents shall abide by all ethical requirements that apply to persons who have a business relationship with the State as set forth in IC §4-2-6, et seq., IC §4-2-7, et seq. and the regulations promulgated thereunder. If the CITY has knowledge, or would have acquired knowledge with reasonable inquiry, that a state officer, employee, or special state appointee, as those terms are defined in IC 4-2-6-1, has a financial interest in the Agreement, the CITY shall ensure compliance with the disclosure requirements in IC 4-2-6-10.5 prior to the execution of this contract. If the CITY is not familiar with these ethical requirements, the CITY should refer any questions to the Indiana State Ethics Commission, or visit the Inspector General's website at http://www.in.gov/ig/. If the CITY or its agents violate any applicable ethical standards, the State may, in its sole discretion, terminate this Agreement immediately upon notice to the CITY and CITY. In addition, the CITY may be subject to penalties under IC §§4-2-6, 4-2-7, 35-44.1-1-4, and under any other applicable laws.

- C. [OMITTED NOT APPLICABLE.]
- D. [OMITTED NOT APPLICABLE.]
- E. [OMITTED NOT APPLICABLE.]
- **F.** The CITY warrants that the CITY and its contractors shall obtain and maintain all required permits, licenses, registrations, and approvals, and shall comply with all health, safety, and environmental statutes, rules, or regulations in the performance of work activities under this Agreement. Failure to do so may be deemed a material breach of this Agreement and grounds for immediate termination and denial of further work with the State.
 - G. [OMITTED NOT APPLICABLE.]
 - **H.** As required by IC §5-22-3-7:
 - (1) The CITY and any principals of the CITY certify that:
 - (A) the CITY, except for de minimis and nonsystematic violations, has not violated the terms of:
 - (i) IC §24-4.7 [Telephone Solicitation Of Consumers];
 - (ii) IC §24-5-12 [Telephone Solicitations]; or
 - (iii) IC §24-5-14 [Regulation of Automatic Dialing Machines]; in the previous three hundred sixty-five (365) days, even if IC §24-4.7 is preempted by federal law; and
 - (B) the CITY will not violate the terms of IC §24-4.7 for the duration of the Agreement, even if IC §24-4.7 is preempted by federal law.
 - (2) The CITY and any principals of the CITY certify that an affiliate or principal of the CITY and any agent acting on behalf of the CITY or on behalf of an affiliate or principal of the CITY, except for de minimis and nonsystematic violations,
 - (A) has not violated the terms of IC §24-4.7 in the previous three hundred sixty-five (365) days, even if IC §24-4.7 is preempted by federal law; and (B) will not violate the terms of IC §24-4.7 for the duration of the Agreement, even if IC §24-4.7 is preempted by federal law.
- 4.9. <u>Condition of Payment</u>. [OMITTED NOT APPLICABLE.]
- 4.10. Confidentiality of State Information. [OMITTED NOT APPLICABLE.]
- 4.11. Continuity of Services. [OMITTED NOT APPLICABLE.]
- 4.12. Debarment and Suspension. [OMITTED NOT APPLICABLE.]

4.13. <u>Default by State</u>. [OMITTED – NOT APPLICABLE.]

4.14. Disputes.

- **A.** Should any disputes arise with respect to this Agreement, the CITY and INDOT agree to act immediately to resolve such disputes. Time is of the essence in the resolution of disputes.
- **B.** The CITY agrees that, the existence of a dispute notwithstanding, it shall continue without delay to carry out all of its responsibilities under this Agreement that are not affected by the dispute. Should the CITY fail to continue to perform its responsibilities regarding all non-disputed work, without delay, any additional costs incurred by INDOT or the CITY as a result of such failure to proceed shall be borne by the CITY, and the CITY shall make no claim against INDOT for such costs.
- C. If the parties are unable to resolve a contract dispute between them after good faith attempts to do so, a dissatisfied party shall submit the dispute to the Commissioner of the Indiana Department of Administration for resolution. The dissatisfied party shall give written notice to the Commissioner and the other party. The notice shall include (1) a description of the disputed issues, (2) the efforts made to resolve the dispute, and (3) a proposed resolution. Commissioner shall promptly issue a Notice setting out documents and materials to be submitted to the Commissioner in order to resolve the dispute; the Notice may also afford the parties the opportunity to make presentations and enter into further negotiations. Within 30 business days of the conclusion of the final presentations, the Commissioner shall issue a written decision and furnish it to both parties. The Commissioner's decision shall be the final and conclusive administrative decision unless either party serves on the Commissioner and the other part, within ten business days after receipt of the Commissioner's decision, a written request for reconsideration and modification of the written decision. If the Commissioner does not modify the written decision within 30 business days, either party may take such other action helpful to resolving the dispute, including submitting the dispute to an Indiana court of competent jurisdiction. If the parties accept the Commissioner's decision, it may be memorialized as a written Amendment to this Contract if appropriate.
- **D.** INDOT may withhold payments, if any, on disputed items pending resolution of the dispute. The unintentional payment by INDOT to the CITY of one or more invoices not in dispute in accordance with the terms of this Agreement will not be cause for the CITY to terminate this Agreement, and the CITY may bring suit to collect these amounts without following the disputes procedures contained herein.
- **E.** With the written approval of the Commissioner of the Indiana Department of Administration, the parties may agree to forego the process described in subdivision C. relating to submission of the dispute to the Commissioner.
- **F.** This paragraph shall not be construed to abrogate provisions of Ind. Code 4-6-2-11 in situations where dispute resolution efforts lead to a compromise of claims in favor of

INDOT as described in that statute. In particular, releases or settlement agreements involving releases of legal claims or potential legal claims of the state should be processed consistent with Ind. Code 4-6-2-11, which requires approval of the Governor and Attorney General.

4.15. <u>Drug-Free Workplace Certification</u>.

As required by Executive Order No. 90-5 dated April 12, 1990, issued by the Governor of Indiana, the CITY hereby covenant and agrees to make a good faith effort to provide and maintain a drug-free workplace. The CITY will give written notice to the State within ten (10) days after receiving actual notice that the CITY, or an employee of the CITY, in the State of Indiana, has been convicted of a criminal drug violation occurring in the workplace. False certification or violation of this certification may result in sanctions including, but not limited to, suspension of contract payments, termination of this Agreement and/or debarment of contracting opportunities with the State for up to three (3) years.

In addition to the provisions of the above paragraph, if the total amount set forth in this Agreement is in excess of \$25,000.00, the CITY certifies and agrees that it will provide a drug-free workplace by:

- **A.** Publishing and providing to all of its employees a statement notifying them that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the CITY's workplace, and specifying the actions that will be taken against employees for violations of such prohibition;
- **B.** Establishing a drug-free awareness program to inform its employees of (1) the dangers of drug abuse in the workplace; (2) the CITY's policy of maintaining a drug-free workplace; (3) any available drug counseling, rehabilitation and employee assistance programs; and (4) the penalties that may be imposed upon an employee for drug abuse violations occurring in the workplace;
- C. Notifying all employees in the statement required by subparagraph (A) above that as a condition of continued employment, the employee will (1) abide by the terms of the statement; and (2) notify the CITY of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction;
- **D.** Notifying the State in writing within ten (10) days after receiving notice from an employee under subdivision (C)(2) above, or otherwise receiving actual notice of such conviction;
- **E.** Within thirty (30) days after receiving notice under subdivision (C)(2) above of a conviction, imposing the following sanctions or remedial measures on any employee who is convicted of drug abuse violations occurring in the workplace: (1) taking appropriate personnel action against the employee, up to and including termination; or (2) requiring such employee to satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state or CITY health, law enforcement, or other appropriate agency; and

- **F.** Making a good faith effort to maintain a drug-free workplace through the implementation of subparagraphs (A) through (E) above.
- **4.16.** Employment Eligibility Verification. As required by IC §22-5-1.7, the CITY swears or affirms under the penalties of perjury that the CITY does not knowingly employ an unauthorized alien. The CITY further agrees that:
- **A.** The CITY shall enroll in and verify the work eligibility status of all his/her/its newly hired employees through the E-Verify program as defined in IC §22-5-1.7-3. The CITY is not required to participate should the E-Verify program cease to exist. Additionally, the CITY is not required to participate if the CITY is self-employed and does not employ any employees.
- **B.** The CITY shall not knowingly employ or contract with an unauthorized alien. The CITY shall not retain an employee or contract with a person that the CITY subsequently learns is an unauthorized alien.
- C. The CITY shall require his/her/its subcontractors, who perform work under this Agreement, to certify to the CITY that the subcontractor does not knowingly employ or contract with an unauthorized alien and that the subcontractor has enrolled and is participating in the E-Verify program. The CITY agrees to maintain this certification throughout the duration of the term of a contract with a subcontractor.

The State may terminate for default if the CITY fails to cure a breach of this provision no later than thirty (30) days after being notified by the State.

4.17. Employment Option. [OMITTED – NOT APPLICABLE.]

- **4.18.** Force Majeure. Employment Act, and the Americans with Disabilities Act, the CITY covenants that it shall not discriminate against any employee or applicant for employment relating to this Agreement with respect to the hire, tenure, terms, conditions or privileges of employment or any matter directly or indirectly related to employment, because of the employee's or applicant's race, color, national origin, religion, sex, age, disability, ancestry, status as a veteran, or any other characteristic protected by federal, state or local law ("Protected Characteristics"). The CITY certifies compliance with applicable federal laws, regulations and executive orders prohibiting discrimination based on the Protected Characteristics in the provision of services. Breach of this paragraph may be regarded as a material breach of this Agreement, but nothing in this paragraph shall be construed to imply or establish an employment relationship between the State and any applicant or employee of the CITY or any subcontractor.

B. INDOT is a recipient of federal funds. Pursuant to that understanding, the CITY agrees that if the CITY employs fifty (50) or more employees and does at least \$50,000.00 worth of business with the State and is not exempt, the CITY will comply with the affirmative action reporting requirements of 41 CFR 60-1.7. It is the policy of INDOT to assure full compliance with Title VI of the Civil Rights Act of 1964, the Americans with Disabilities Act and Section 504 of the Vocational Rehabilitation Act and related statutes and regulations in all programs and activities. Title VI and related statutes require that no person in the United States shall on the grounds of race, color or national origin be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. (INDOT's nondiscrimination enforcement is broader than the language of Title VI and encompasses other State and Federal protections. INDOT's nondiscrimination enforcement shall include the following additional grounds: sex, sexual orientation, gender identity, ancestry, age, income status, religion, disability, income status, limited English proficiency, or status as a veteran.)

The CITY shall not participate either directly or indirectly in the discrimination prohibited by section 21.5 of the Regulation, including employment practices when the Agreement covers a program set forth in Appendix B of the Regulations.

- 4. <u>Information and Reports</u>: The CITY shall provide all information and reports required by the Regulations, or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Indiana Department of Transportation and Federal Highway Administration to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of a CITY is in the exclusive possession of another who fails or refuses furnish this information, the CITY shall so certify to the Indiana Department of Transportation or the Federal Highway Administration as appropriate, and shall set forth what efforts it has made to obtain the information.
