Memo

To: Patrick Hess
From: Jessica Basile
Date: July 9, 2020
Subject: Parking Ratios

Please see the parking ratios below for several of our senior living communities that have Independent Living apartments, as well as Assisted Living and Memory Care apartments.

- Franciscan Village in Lemont, Illinois: 184 IL apartments; 60 parking spaces provided for all Independent Living residents
- Marian Village in Homer Glen, Illinois: 138 IL apartments; 97 parking spaces provided for all Independent Living residents
- Addolorata Villa in Wheeling, Illinois: 100 IL apartments; 34 parking spaces provided for all Independent Living residents
- The Village at Victory Lakes in Lindenhurst, Illinois: 100 IL apartments; 56 parking spaces provided for all Independent Living residents

A number of our Independent Living residents after moving into one of our communities either no longer own a car or are not comfortable driving anymore.

For Assisted Living apartments at all of our communities we do not have any residents that drive or keep a car at the community, we only have visitor parking for Assisted Living and Memory Care.

Please let me know if any further information is needed.
