Re: Case C 2021-14: NSK Corporation (16-19)

Summary:

1. On October 17th, 2016, the Franklin Common Council passed Resolution No. 2016-19, approving a 7-year tax abatement with a 5% economic development fee on personal property for NSK Corporation, located at 3400 Bearing Drive.
2. Actual and estimated benefits, as projected for 2020:

	Estimated on SB-1	Actual in 2020	Difference
Employees Retained	253	270	17
Salaries	\$11,878,189	\$16,647,573.05	\$4,769,384.05
New Employees	1	1	0
Salaries	\$57,200	\$57,200	0
Total Employees	254	270	16
Total Salaries	\$11,935,389	\$16,647,537.05	\$4,712,184
Average Hourly Salaries	\$22.59	\$29.64	\$7.05
Personal Property Improvements	\$6,625,200	\$8,764,646.00	\$2,140,446

3. The company indicated on their original application that \$6,625,200 in equipment would be purchased by May 31st, 2017. Personal property improvements were \$2,561,187 less than estimated. In the letter of noncompliance from Amy Miller dated April 8, 2019, it is stated that NSK hopes to complete the personal property investment. The investment was completed and is greater than estimated
4. In 2017 there were 8 employees fewer than estimated, but the total salaries were \$4,668,896 over the estimate. Average hourly salaries were \$9.86 higher than estimated. In 2018 the company was short only one employee, but the hourly salaries are \$11.94 higher than estimated. In 2019 they were ahead on both employees and wages. In 2020 they are above in employment and wages.
5. The completion date approved on their SB-1 Form was May 31, 2017. The personal property tax abatement is scheduled to expire in tax year 2024 payable 2025. Their last year for compliance review will be 2024.

Re: Tax Abatement Compliance for NSK Corporation

Dear Mrs. Monson:

Enclosed please find Forms CF-1 (Compliance with Statement of Benefits) regarding compliance with the real and personal property tax abatements which were granted to NSK Corporation in 2010, 2013, and 2016 under Franklin Common Council Resolution numbers 13-02 (formerly 10-19), 13-20, and 16-19.

NSK has been successful in making all of the capital investments and creating the full complement of jobs projected under Resolution number 13-02.

Per our supporting documentation, previous conversations, and previous years' compliance packet letters regarding Resolution 13-20, we did not meet our original capital expenditures target of \$20m. We had a substantially smaller investment, some of which was due to business we did not win, and some of which was canceled due to changes in business plans at global headquarters as a result of the lost business and significant currency fluctuations between the US dollar and the Japanese Yen. But we would like to draw increased attention to the fact that our headcount has exceeded the original estimates and salary amounts are still close to the original estimate.

In regards to Resolution 16-19, NSK is in the process of making all of the capital investments and has created the full complement of jobs projected under Resolution 16-19.

Please review the enclosed documents, and if you have any questions or concerns regarding this matter, please feel free to contact me.

Sincerely,

Kyle VanWambeke
