Re: Case C 2024-51: Electro-Spec, Inc. (12-07)

Summary:

1. On April 16th, 2012, the Franklin Common Council passed Resolution No. 2012-07, approving a 10-year tax abatement on personal property tax abatement for Electro-Spec located at 1800 Commerce Parkway.

2. Actual and estimated benefits, as projected for 2023:

	Estimated on SB-1	Actual in 2023	Difference
Employees Retained	62	54	-10
Salaries	\$2,428,138	\$3,675,384	\$1,247,246
New Employees	22	0	-22
Salaries	\$600,000	\$0	-\$600,000
Total Employees	84	54	-30
Total Salaries	\$3,028,138	\$3,675,384	\$647,246
Average Hourly Salaries	\$17.33	\$32.72	\$15.39
Personal Property Improvements	\$2,170,000	\$3,762,384	\$1,592,384

- 3. The company has exceeded the personal property investment estimated on its SB-1 Form.
- 4. The company stated it would create 10 jobs in 2012, 5 to 7 jobs in 2013, and 5 to 8 jobs in 2014. They met the number of jobs retained and created as originally estimated in 2013. That number declined by 4 in 2014. The number of jobs in 2015 exceeds their SB-1 estimate by 4. The total number of employees in 2016 is 4 fewer than estimated on SB-1; however, the average hourly salary exceeds what was estimated. In 2017 the number of employees is 5 short of the estimate, but total salaries and hourly wages well exceed the SB-1 estimate. In 2018 Electro-Spec was down two employees but exceeded hourly wages by \$6.87 compared to SB-1 estimates. In 2019 they were down by 18, however, their wages are above estimates by \$8.00. In 2020 they are down by 15 but wages are up by \$5.12. Jobs have become more skilled than originally estimated in 2012 and have reduced employees but increased wages. The company is down 22 employees in 2021, however, the wages are above by \$7.11 and the company is using more skilled labor, with less unskilled needs. In 2022 the company is still down in employment but over \$10 per hour in wages. IN 2023 the company is down 30 employees, however the wages are double the estimate. The jobs are more high skilled and required less manpower than the original estimate.

5. The personal property tax abatement is scheduled to expire in 2024 and pay 2025. The final compliance will take place in 2024.

RE: Tax Abatement Compliance for Electro-Spec, Inc.

Dear Ms. Monson:

Enclosed please find the CF-1 (Compliance with Statement of Benefits) regarding compliance with personal property tax abatements which were granted to Electro-Spec, Inc. under Franklin Common Council Resolution No. 12-07.

As you can see from reviewing the enclosed documents, our company has been successful in (1) exceeding the initial capital investment set forth in 2012, but are short on maintaining the number of jobs which had been proposed in the Statement of Benefits (Form SB-1) by 30 employees. While falling short by the number of jobs, we actually exceeded the proposed amount of payroll by hiring higher skilled employees for specific engineering and quality roles within the company. We are actively trying to hire, but continue to run into problems with bringing in personnel unfortunately.

Please review all of the enclosed documents, and if you have any questions or concerns regarding this matter, please feel free to contact me.

Sincerely,

Jeffrey D. Smith President
