Location:	700 E. State Road 44
Size:	0.58 acres
Number of Parcels:	1
Gross Density:	N/A

Introduction:

Indiana Statute (IC 36-4-3-3) authorizes the City of Franklin, the annexing municipality, to develop and adopt by resolution, a fiscal plan for extension of municipal services to the annexed area.

In the preparation of the annexation fiscal plan, which is required by Indiana Code, the City of Franklin has determined and compared the cost of providing non-capital and capital services to the proposed Creekside Annexation 1 property owned by Franklin Community School Corporation, with the potential tax revenue generated by the developed parcel. Due to the fact that Franklin Community School Corporation is a tax exempt entity and will not pay property taxes, the detailed fiscal plan will only identify the following:

1. The cost estimates for planned services to be furnished to the property to be annexed;
2. The method or methods of financing the planned services; and
3. The organization and extension of services.

This report has been created for the purpose of estimating the potential fiscal impact of new development and annexations to the City of Franklin. It is not intended to serve a specific budgetary purpose, but rather express estimated costs and benefits based on a set of level-of-service related assumptions.

Present Tax Rate/Assessed Valuation:

The corporate tax rate, established by the Indiana State Tax Board, for the City of Franklin during the tax year 2013 pay 2014 is \$1.4563 per \$100 of assessed value.

The total assessed value for the City of Franklin for the tax year 2013 pay 2014 is \$767,485,199.

Cost of Services Provided by the City of Franklin to the Annexed Property:

The City of Franklin will provide services of a capital and non-capital nature, which may include police, fire, road maintenance, parks and government administration, to the annexed property within one year of the completion of the annexation. Extension of services of a capital nature, if any, will be provided within three years of the completion of the annexation.

Extension of Services:

The City of Franklin is committed to providing capital and non-capital services to the land proposed for annexation in the same manner as areas currently within the city limits, regardless of similarity. Any monetary figures presented here are merely estimates, subject to change. Many variables, including the rate and extent of future development, future property assessments, and fluctuations in the cost of providing various services are expected to have an influence.

The City of Franklin Departments of Planning & Engineering, Community Development, Public Works, Police, Fire, Parks, Clerk/Treasurer, and Street will assume and retain immediate responsibility.

Natural gas, electric, cable, telephone, and water services are provided by private utilities.

The City has provided sanitary sewer access which is available at this location. The developer provides local streets and connection to the sanitary sewer at the time of construction.

The intended use of this property is school owned and operated by Franklin Community School Corporation. It will be a privately maintained property.

Annexation Considerations:

1. The petition was initiated by the property owner and is therefore a voluntary annexation.
2. Contiguous to the City of Franklin, the subject property is necessary to help the City of Franklin manage growth and has been developed. For the purposes of determining "contiguity," more than 1/8 or 12.5% of the aggregate external boundary of the subject property must contiguous with the boundaries of the City of Franklin. The aggregate external boundary is 1,600 feet. In this case, 200 feet or 12.5% of the subject property coincides with the boundaries of the City of Franklin, meeting the minimum requirement.

3. Non-capital services listed above and described in the fiscal plan become effective within one year and all other capital services, if any, for the area become effective within three years from the effective date of the annexation.
4. The annexed property shall be assigned to Council District 3.
5. The proposal submitted to incorporate the real estate meets the statutory requirements of IC 36-4-3 qualifying for annexation to the City of Franklin.
6. The fiscal plan is available for public review at the time the project is placed on the City Council agenda for public hearing. City Council must adopt the fiscal plan prior to approving the Annexation request.
7. Creekside Annexation 1 is recommended for annexation by the Plan Commission through Plan Commission Resolution Number 2013-24.
