Board of Works and City Council

Please accept these flyers from the City of Franklin Fire Department for information of two upcoming events. As the leader of this department it is my responsibility to keep you all informed of what is going on and the outstanding efforts the men do for this community.

That is why we are pleased to announce the Water Rescue and Safety Day on July 26th at the Franklin Aquatic Center. We want to thank Parks Department Manager Chip Orner for his support and Pool Manager Ms. Kendal Paris for their assistance. We are going to have the opportunity to show off our new equipment from the Fire House Subs Public Safety Foundation as well as perform some of the skills we have acquired while building our team.

We also would like to invite you all to our Charity Softball Tournament on August 16th. This is fund raiser has become a tradition for local police and fire departments as well as visitors from out of our home state for the last 14 years. The men have raised well over \$15,000.00 to various charities over the years. We are proud to keep this tradition going.

Respectfully Submitted,
