30 min parking

**Supporting documents: All supporting documents should be submitted with the request form.**

1. The majority of the customers will be elderly and not able to
2. When a person is sick, they aren't interested in looking for
3. Will cut down on the city, county and other employees using
4. Some patients may be using public transportation and would be nice to have a spot accessible for such instances.

to walk long distances if space isn't available right in front.  
for spots on a different street or farther down.  
street parking right there when there is a lot available across  
the street.
