Re: Case C 2017-05: Caterpillar Reman Powertrain Indiana LLC

Summary:

1. On September 20th, 2010, the Franklin Common Council passed Resolution No. 2010-15, approving a 10-year tax abatement with a 5% economic development fee on personal property for Caterpillar Reman Powertrain Indiana, LLC, located at 751 International Drive.
2. Actual and estimated benefits, as projected for 2016:

	Estimated on SB-1	Actual in 2016	Difference
Employees Retained	338	338	0
Salaries	\$1,615,649	\$12,021,984	\$10,406,335
New Employees	0	65	65
Salaries	\$0	\$2,311,920	\$2,311,920
Total Employees	338	403	65
Total Salaries	\$10,278,445	\$14,333,904	\$4,055,459
Average Hourly Salaries	\$14.62	\$17.10	\$2.48
Personal Property Improvements	\$13,568,000	\$10,608,922	-\$2,959,078

3. The company estimated in their original application that they would spend \$4,700,000 on equipment in 2010, \$2,092,000 on equipment in 2011, \$3,276,000 in 2012, and \$3,500,000 in 2013. The total for all four years is \$13,568,000. They reported having spent \$7,762,540 at the end of 2012. They were given until the end of 2013 to purchase all of the equipment. They indicated in their application that they would purchase \$3,276,000 in 2012 but only purchased \$1,907,869. They indicated on their original application they would purchase an additional \$3,500,000 in 2013 but only purchased \$932,163. The completion date for the abatement was the end of 2013. Because the completion date on the SB-1 Form is the end of 2013, they are receiving abatement on \$10,616,923 in personal property. They have purchased additional equipment since the end of 2013, but they cannot include all of it in the abatement because it was not purchased in time.
4. The company has met their number of employees retained and added 65 employees that were not estimated on their original application. Employees have higher than estimated average hourly salaries.

5. The tax abatement is scheduled to expire in tax year 2023 payable 2024. The final compliance review should take place in 2023.
