TO: Planning and Engineering Department
COMPANY: City of Franklin
ISSUED BY: V3 Companies
PURPOSE: Application for Site Development Plan Review

PROJECT: East Village – Indiana Masonic Homes
PROJECT NO: 01.1151.B.1

This project proposes to prepare the East Village site for future development by demolishing the existing building and associated infrastructure (with the Kresge chapel to remain), which has been replaced by the new SNRC facility, to create a blank slate for the future development. A stormwater pond will be placed on the property to treat water quantity for any future development.
