**Common Council Resolution No.: 19-06 Approving a Lease Between the City of Franklin Redevelopment Authority as Lessor & the City of Franklin Redevelopment Commission as Lessee, and Pledging Local Income Tax Revenues - Tabled from Previous Meeting - RDC**

Attorney Rob Schafstall came forward to introduce this resolution. Mr. Schafstall stated this resolution has been changed since it was originally introduced, from Jefferson St. to North Main St. Mr. Schafstall stated that the RDC is trying to borrow ten million dollars, and the Indiana Constitution states a city can't borrow more than two percent of its assessed total evaluation, which for the City of Franklin would be 6.4 million as a cap on the obligation bond. Mr. Schafstall stated we can create a lease that doesn't count as the two percent debt cap. This resolution is set up to get around this tax cap, and he is asking the Council to pass this resolution that would allow this project to move forward. Mr. Schafstall stated this resolution is consenting to transfer N. Main St. to the Redevelopment Authority (RDA) in order for the RDA to lease this area to the Redevelopment Commission (RDC) for 25 years. The amount of TIF money each year is the same amount of money that the RDA has to pay to the bond holders. When the bond is paid off this area will revert back to the city. Mr. Schafstall stated that we must pledge local income taxes to the bond issuer, but the intention is to use the TIF money from the Kroger & Meijer developments to pay the bond. Mr. Schafstall stated that he had talked to Jeff Peters the City Financial Advisor, and he has stated this project is doable at this time. A discussion was held. Mr. Schafstall stated the ten million would be divided in two, for engineering of the US31 redo in coordination with INDOT, and the other half would be used for the Young's Creek Trail Redevelopment, Amphitheater. Park & Event Venues. He stated that timing if this is approved tonight would be a Public Hearing on June 18<sup>th</sup> at the RDC meeting, and then close on the bond in the middle of August. Mayor Barnett opened the floor for public hearing, Lisa Litner from Johnson County Library stated their financial advisor stated that a geo bond would not work like this for the Library.
