Re: Case C 2020-06: Caterpillar Reman Powertrain Indiana LLC

Summary:

1. On September 20th, 2010, the Franklin Common Council passed Resolution No. 2010-15, approving a 10-year tax abatement with a 5% economic development fee on personal property for Caterpillar Reman Powertrain Indiana, LLC, located at 751 International Drive.
2. Actual and estimated benefits, as projected for 2019:

	Estimated on SB-1	Actual in 2019	Difference
Employees Retained	338	270	-68
Salaries	\$10,278,445	\$10,479,456	\$201,011
New Employees	0	0	0
Salaries	\$0	\$0	\$0
Total Employees	338	270	-29
Total Salaries	\$10,278,445	\$10,479,456	\$201,011
Average Hourly Salaries	\$14.62	\$18.66	\$4.04
Personal Property Improvements	\$13,568,000	\$10,374,025	-\$3,193,975

3. The company estimated in their original application that they would spend \$4,700,000 on equipment in 2010, \$2,092,000 on equipment in 2011, \$3,276,000 in 2012, and \$3,500,000 in 2013. The total for all four years is \$13,568,000. They reported having spent \$7,762,540 at the end of 2012. They were given until the end of 2013 to purchase all of the equipment. They indicated in their application that they would purchase \$3,276,000 in 2012 but only purchased \$1,907,869. They indicated on their original application they would purchase an additional \$3,500,000 in 2013 but only purchased \$932,163. The completion date for the abatement was the end of 2013. Because the completion date on the SB-1 Form is the end of 2013, they are receiving abatement on \$10,616,923 in personal property. The number decreased in 2017 and 2018.
4. In 2018 the number of employees decreased by 29 due to leaner operations and natural attrition; however, total salaries and average hourly salaries are higher than the SB-1 estimate. 2019 saw an additional decrease of 68 total compared to estimates, however salaries are still above estimate.
5. The tax abatement is scheduled to expire in tax year 2023 payable 2024. The final compliance review should take place in 2023.

Re: Tax Abatement Compliance for Caterpillar Reman Powertrain Indiana LLC

Dear Mrs. Monson:

Enclosed please find Form CF-1 (Compliance with Statement of Benefits) regarding compliance with the personal property tax abatements which were granted to Caterpillar Reman Powertrain Indiana LLC in 2010 under Franklin Common Council Resolution No. 2010-15.

As can be seen from reviewing the enclosed documents, our company has been highly successful in making capital investment for the project. Caterpillar has experienced a decrease in demand over the last several years; resulting in a need to shrink our hourly workforce. We have reduced our hourly positions through lean activities and natural attrition. This has resulted in a more efficient labor force which allowed us to increase the hourly pay rate 3% in 2019 as well as awarding more than 7% in quarterly gainsharing bonuses. Although the number of employees retained is lower than estimated on Statement of Benefits (From SB-1) which was approved on October 4, 2010, we believe that the quality of employment is better for the actual employees retained.

Please review the enclosed documents, and if you have any questions or concerns regarding this matter, please feel free to contact me.

Sincerely,

Andrea D. Haga
