Re: Gravity Belt Thickener & Belt Filter Press Rebuilds  
Evaluation of Bids

Dear Board Members:

Pursuant to the Advertisement for Bidders, bids for the Gravity Belt Thickener & Belt Filter Press Rebuilds were received at 2:00 p.m. on May 12, 2020 at City Hall and were opened and read aloud via conference call.

Three (3) bids were received. A copy of the official Bid Tabulation is enclosed. The contractors which submitted bids and their respective bid amounts are as follows:

<u>Contractor</u>	<u>Lump Sum Bid Price</u>
Maddox Industrial Group	\$ 965,700.00
Mitchell & Stark Construction	\$ 1,168,000.00
Graves Construction Services, Inc.	\$ 1,272,727.00

The engineer's estimate for the project was \$1,000,000. The low bid was approximately 3% below the engineer's estimate.

We have reviewed the bid package for the low bidder, Maddox Industrial Group, and the bid documents appear to be complete. Based on the evaluation of their experience and qualifications it appears that they are capable and qualified to perform the work required.

Pursuant to the Contract Documents, the Board may reject any and all bids or may accept the Lump Sum Bid Price.

Should the Board choose to award the Project, based upon the bids received and information obtained on the low bidder, we recommend the Notice of Award be made to Maddox Industrial Group at the Lump Sum Bid Contract Price of \$965,700.00.

Attached please find a Notice of Award to be issued for Maddox Industrial Group. A copy of the Bid Tabulation will be sent to all bidders.
