Board of Zoning Appeals

I did receive the notice of the Board of Zoning Appeals meeting to be held on December 7<sup>th</sup> at City Hall. I have a previous commitment so will be unable to attend. However, I want to have my opinion noted. I am opposed to Shale Creek Brewing (case number ZB 2022-12 (V) receiving a variance to allow a recreational use Microbrewery at 350 E Monroe Street, Franklin.

Franklin has gained a new image and part of that well-deserved reputation is it's old historic neighborhoods. There is already encroachment on this one historic residential area and I oppose any further intrusion of business at this time.
