Re: Tax Abatement Compliance for Shelby Gravel, Inc.

Dear Mrs. Monson:

Enclosed please find the form CF-1 (Compliance with Statement of Benefits) regarding compliance with real and personal property tax abatements which were granted to Shelby Gravel, Inc. in 2020 under Franklin Common Council Resolutions Numbers 20-17 and 20-18.

As can be seen from reviewing the documents attached, our company has completed the building of the ready-mix concrete plant and the adjacent office and garage. Overall Shelby Materials invested almost 8 million dollars in personal property along with over 3 million dollars in real property improvements. With our new plant in operation for 2022 we had a record year of production as Johnson County continues to see marked economic growth.

Throughout the course of the year our workforce number changes. Often people leave employment during the slower season (Dec-Feb) but our hiring picks back up during the rest of the year. For much of the year we had as many as 27 employees, exceeding our goal of 24, but as of the time of this report we currently sit at 23.

Please review all of the enclosed documents and if you have any questions or concerns regarding this matter, please feel free to contact me as set out below.

Sincerely,

Aaron Haehl

Comments Concerning Investment, Job Creation and Retention Schedules

Shelby Materials continues to want to add employees. Our stated goal was 24 employees total from our starting point of 21. Currently we have added a net 2 employees for a total of 23 but are looking to add even more employees well beyond our goal of 24 due the significantly increased demand for concrete in the Johnson County market. During our busy months (summer and fall), we had up to 27 total employees. We continue to want to add employees especially as we move into the warmer months of the year.
