CITY OF FRANKLIN

Community Development Department

Memo

To: Board of Works Members
CC: Mayor, Clerk-Treasurer, City Attorney
From: Dana Monson, Community Development Specialist
Date: May 15, 2023
Subject: Request for purchase of Kuji Alley Structure

The Public Art Advisory Commission met May 11, 2023 and approved the plans to activate the Kuji Alley. In partnership with Festival Country and Discover Downtown Franklin, the commission is planning to add a structure over the alley similar to the Bicentennial Alley at the Artcraft. The structure will have Japanese lanterns and lights.

The alley will also have a new cherry tree piece added as well as a Japanese foot bridge that together will create a beautiful scene and selfie spot. The alley will also receive new furniture to better reflect the Japanese culture.

PAAC is requesting the Board of Works approve paying \$13,431.10 for the structure to go over the alley.

Please contact me directly at 346-1254 or dmonson@franklin.in.gov if you have any questions regarding this information.
