Re: Belt Filter Press Conveyor Replacement  
Evaluation of Bids

Dear Board Members:

Pursuant to the Advertisement for Bidders, bids for the Belt Filter Press Conveyor Replacement were received at 11:00 a.m. on October 10, 2023 at City Hall and were opened and read aloud.

Two (2) bids were received. A copy of the official Bid Tabulation is enclosed. The contractors which submitted bids and their respective bid amounts are listed below. The Add-Alternate Bid Price includes demolition of the existing lime storage silo.

<u>Contractor</u>	<u>Lump Sum Base Bid Price</u>	<u>Add-Alternate Bid Price</u>	<u>Total Bid Price</u>
Maddox Industrial LLC	\$ 449,190.00	\$ 25,515.00	\$ 474,705.00
Mitchell & Stark Construction Co.	\$ 526,520.00	\$ 52,850.00	\$ 579,370.00

The engineer's estimate for the project was \$515,000. The low bid was approximately 8% below the engineer's estimate.

We have reviewed the bid package for the low bidder, Maddox Industrial LLC, and the bid documents are complete. Based on the evaluation of their experience and qualifications it appears that they are capable and qualified to perform the work required.

Pursuant to the Contract Documents, the Board may reject any and all bids or may accept the lowest responsive and responsible bidder's Lump Sum Base Bid Price or Total Bid Price.

Should the Board choose to award the Project, based upon the bids received and information obtained on the low bidder, we recommend the Notice of Award be made to Maddox Industrial LLC at the Lump Sum Base Bid Price of \$449,190.00 or at the Total Bid Price of \$474,705.00.

Attached please find a Notice of Award for each Bid Price to be issued to Maddox Industrial LLC based upon which Bid Price is accepted by the Board.

*More than a Project™*

If you have any questions or comments please feel free to contact me at (317) 788-4551.

Sincerely,

WESSLER ENGINEERING
