

CITY OF FRANKLIN
COMMUNITY DEVELOPMENT DEPARTMENT

Staff Report

To: Economic Development Commission Members
From: Dana Monson, Community Development Specialist
Date: November 14, 2023
Re: Case EDC 2023-09 – Mitsubishi Turbocharger and Engine America

Case EDC 2023-09 – MTEA: A request for a 5-year tax abatement on \$2,509,020 of personal property investment.

Location: 1200 N. Mitsubishi Parkway

Summary:

1. Characteristics of this location:
Existing Location – 1200 N Mitsubishi Parkway

2. Characteristics of this petitioner:
MTEA opened their first US facility in Franklin Indiana in 2015. They were originally partners sharing the facility with Mitsubishi Heavy Industries, but in 2021 MHI closed their portion and MTEA became the primary occupant. The company focuses on turbocharger engines and in 2017 met its first milestone of producing 1 million turbos in this facility. That was quickly passed in 2018 when they produced 2 million and were awarded General Motors Supplier of the Year, an award they repeated

in 2019 as well as receiving the Honda Excellence in Delivery and Quality award. In 2020 they were at 4 million turbos produced here. The company continues to grow its business at this facility.

3. Characteristics of this project:

MTEA is investing in new equipment which will add 2 new lines for production to this facility and add 22 jobs.

4. Economic Revitalization Area (ERA):

This property was designated an ERA by Resolution 2008-08.

5. Previous Tax Abatement Received:

MTEA previously received a ten-year personal property abatement in 2013 and MHICC received a real property abatement that same year to add additional space to the facility to accommodate MTEA.

6. ERA & Tax Abatements Findings (Personal Property):

Indiana Code Section 6-1.1-12.1-4.5 states that the following findings must be made when considering an ERA designation and the granting of tax abatement for personal property:

- a. Whether the estimate of the cost of new manufacturing equipment is reasonable for equipment of that type;
- b. Whether the estimate of the number of individuals who will be employed or whose employment will be retained can be reasonably expected to result from the instillation of new manufacturing equipment;
- c. Whether the estimate of annual salaries of those individuals who will be employed or whose employment will be retained can be reasonably expected to result from the installation of the new manufacturing equipment;
- d. Whether any other benefits about which information was requested are benefits that can be reasonably expected to result from the installation of the new manufacturing equipment; and
- e. Whether the totality of the benefits is sufficient to justify the tax abatement.

7. City of Franklin "Tax Abatement Policy" criteria:

The "Tax Abatement Policy" section of the *City of Franklin Community Investment Incentives Summary* states that the Economic Development Commission shall use certain criteria when considering a request for tax abatement. A comparison of those criteria and the proposed request follows:

- a. *Diversification of Local Occupations:* MTEA will be retaining 77 full-time jobs with this project and adding an additional 22 jobs.
- b. *Diversification of Local Employment:* This project will retain a current Franklin company and the jobs that are located at the current plant while adding an additional 22 new jobs.
- c. *Increase in Local Salaries:* The average wage for all industries in Johnson County for 2023 is \$21.75. The average hourly wage in Johnson County for Low/moderate wages is \$14.85 per hour. MTEA will pay an average of \$15.50 per hour for new employees to begin training, then

pay \$19.88 for retained employees, This is below the county average wage but above the low/moderate wage.

- d. *Sustainable Land Use*: The petitioner proposes to make this investment at their current location.
 - e. *Future Community Investment*: The applicant should share with the EDC their plans for future community investment. The company is agreeing to a 5% for personal property.
 - f. *Conformance with the Comprehensive Plan*: The Comprehensive Plan - Future Land Use Plan identifies this property as Industrial General. Industrial General zoning permits the following uses: Industrial Uses • agricultural products terminal • dry cleaners (commercial) • food & beverage production • general industrial production • light industrial assembly & distribution • light industrial processing and distribution • power generation facility (commercial) • research and development facility • truck freight terminal • warehouse & distribution facility
 - g. The property is zoned IG, Industrial: General. The "IG," Industrial: General zoning district is intended to provide locations for general industrial manufacturing, production, assembly, warehousing, research and development facilities, and similar land uses. This district is intended to accommodate a variety of industrial uses in locations and under conditions that minimize land use conflicts. This district should be used to support industrial retention and expansion in Franklin.
8. Tax Abatement Duration:
The *City of Franklin Community Investment Incentives Summary* provides that longer periods of abatement on real and personal property may be considered for requests of an exceptional nature. The Summary states that development examples of an exceptional nature include projects that:
- a. Create a new plant or product line for an existing manufacturer;
 - b. Creates substantial employment opportunities with higher than average wages;
 - c. Increase substantially property values and the city tax base with minimal impact on city services (police & fire protection, schools, utilities, infrastructure, etc.); and
 - d. Utilize existing public infrastructure (sanitary & storm sewer, roads & streets, drainage facilities, and other utilities).
9. Requested Effective Year:
The petitioner has requested that, if approved, the tax abatement be effective for the first year taxes are assessed at an increased assessment rate.

Staff Comments:

The Mayor is supportive of this application for three to a maximum of five years based on the company's long relationship with the city and the number of city residents who are employed here.

\$19.88

***In addition to answering these questions, please fill out the Job and Wage Description for Tax Abatement Application information sheet and submit it with the application as an attachment.

Please explain why the abatement incentive is necessary to the project: Attach additional sheets as necessary.

There is a tight economic climate which produces slim margins. This abatement will enable MTEA to make an investment of this size.

Company InformationHow long has the company been in existence? 2014 in Franklin, INCurrent address of company headquarters and duration at that address: 2 Pierce Place; Itasca, IL 60143
Since 1985

Approximate percentage of employees at current location who live in the City of Franklin and/or Johnson County:

67.23%Have you ever received tax abatement at your current location? Yes No

If yes, when and for what term?

10 Year Abatement Passed 12-10-13 - Common Council Abatement 13-07/13-22

What specifically has the company done to give back to the community:

Donations to Franklin Education Connection & United Way

While acting as a strong advocate for using economic incentives to help applicants expand and/or locate in the community, the City of Franklin also strives to enrich the quality of life for its citizens. To that end, the City embraces the use of voluntary economic development fees as allowed under Indiana law (IC 6-1.1-12.1-14). These fees are directed by the City to local nonprofit organizations to bolster their economic development efforts. The fee can be applied on both real and personal property abatements. The fee is collected annually by the County Treasurer as a special assessment on the tax bill and is distributed by the City to the designated economic development nonprofit organization. Typically, 2% is charged on Real Property and 5% is charged on Personal Property. The fee is a percentage of the abatement received. For example, instead of receiving 100% abatement in the first year, the company receives a 95% abatement, with the 5% difference going to support local economic development. More information can be found on the City's website (www.franklin.in.gov) under the Economic Development tab.

Is the company agreeable to the Economic Development Fee?

Yes No

If yes, at what percent(s)?

5%

I, Atsushi Une (representative) on behalf of Mitsubishi Turbocharger and Engine America, Inc. (company) represent that, except to the extent that the City of Franklin has been given written notice of any environmental, chemical, or waste hazards or violations prior to the date of this affidavit, the petition and project plan of Mitsubishi Turbocharger and Engine America, Inc. (company) does not contemplate, contain, nor anticipate:

- (1) any violation(s) of City of Franklin Municipal codes and/or ordinances;
- (2) any violation(s) of applicable zoning ordinances;
- (3) any violation(s) of site plan review and/or building permit requirements;
- (4) any violation(s) of federal or state laws, including but not limited to OSHA and ADA, and all other regulations regarding safety, land use, and access;
- (5) any violation(s) of federal or state laws, including but not limited to the creation, maintenance, utilization, control, handling, existence, and/or disposal of hazardous waste, chemicals, conditions, equipment, materials, entities, or components as defined under federal and/or state law.

Further, Mitsubishi Turbocharger and Engine America, Inc. (company) states that the construction and operation of the proposed facility will in no way result in any discharges which will result in interruptions, inconsistencies, or failures in the operation of the Franklin Wastewater Treatment facility. The petitioner understands that the violation of any element of this affidavit may result in the revocation of any tax abatements or other economic incentives which may have been granted by the City of Franklin.

STATEMENT OF BENEFITS PERSONAL PROPERTY

State Form 51764 (R / 1-06)

Prescribed by the Department of Local Government Finance

FORM SB-1 I PP

PRIVACY NOTICE

The cost and any specific individual's salary information is confidential; the balance of the filing is public record per IC 6-1.1-12.1-5.1 (c) and (d).

INSTRUCTIONS:

1. This statement must be submitted to the body designating the Economic Revitalization Area prior to the public hearing if the designating body requires information from the applicant in making its decision about whether to designate an Economic Revitalization Area. Otherwise this statement must be submitted to the designating body BEFORE a person installs the new manufacturing equipment and/or research and development equipment, and/or logistical distribution equipment and/or information technology equipment for which the person wishes to claim a deduction. "Projects" planned or committed to after July 1, 1987, and areas designated after July 1, 1987, require a STATEMENT OF BENEFITS. (IC 6-1.1-12.1)
2. Approval of the designating body (City Council, Town Board, County Council, etc.) must be obtained prior to installation of the new manufacturing equipment and/or research and development equipment and/or logistical distribution equipment and/or information technology equipment, BEFORE a deduction may be approved
3. To obtain a deduction, a person must file a certified deduction schedule with the person's personal property return on a certified deduction schedule (Form 103-ERA) with the township assessor of the township where the property is situated. The 103-ERA must be filed between March 1 and May 15 of the assessment year in which new manufacturing equipment and/or research and development equipment and/or logistical distribution equipment and/or information technology equipment is installed and fully functional, unless a filing extension has been obtained. A person who obtains a filing extension must file the form between March 1 and the extended due date of that year.
4. Property owners whose Statement of Benefits was approved after June 30, 1991, must submit Form CF-1 / PP annually to show compliance with the Statement of Benefits. (IC 6-1.1-12.1-5.6)
5. The schedules established under IC 6-1.1-12.1-4.5(d) and (e) apply to equipment installed after March 1, 2001. For equipment installed prior to March 2, 2001, the schedules and statutes in effect at the time shall continue to apply. (IC 6-1.1-12.1-4.5(f) and (g))

FOR USE OF THE DESIGNATING BODY

We have reviewed our prior actions relating to the designation of this economic revitalization area and find that the applicant meets the general standards adopted in the resolution previously approved by this body. Said resolution, passed under IC 6-1.1-12.1-2.5, provides for the following limitations as authorized under IC 6-1.1-12.1-2.

A. The designated area has been limited to a period of time not to exceed _____ calendar years * (see below). The date this designation expires is _____.

B. The type of deduction that is allowed in the designated area is limited to:

- | | |
|--|--|
| 1. Installation of new manufacturing equipment; | <input type="checkbox"/> Yes <input type="checkbox"/> No |
| 2. Installation of new research and development equipment; | <input type="checkbox"/> Yes <input type="checkbox"/> No |
| 3. Installation of new logistical distribution equipment. | <input type="checkbox"/> Yes <input type="checkbox"/> No |
| 4. Installation of new information technology equipment; | <input type="checkbox"/> Yes <input type="checkbox"/> No |

C. The amount of deduction applicable to new manufacturing equipment is limited to \$ _____ cost with an assessed value of \$ _____.

D. The amount of deduction applicable to new research and development equipment is limited to \$ _____ cost with an assessed value of \$ _____.

E. The amount of deduction applicable to new logistical distribution equipment is limited to \$ _____ cost with an assessed value of \$ _____.

F. The amount of deduction applicable to new information technology equipment is limited to \$ _____ cost with an assessed value of \$ _____.

G. Other limitations or conditions (specify) _____

H. The deduction for new manufacturing equipment and/or new research and development equipment and/or new logistical distribution equipment and/or new information technology equipment installed and first claimed eligible for deduction on or after July 1, 2000, is allowed for:

- | | | |
|-------------------------------------|--------------------------------------|--|
| <input type="checkbox"/> 1 year | <input type="checkbox"/> 6 years | ** For ERA's established prior to July 1, 2000, <u>only</u> a 5 or 10 year schedule may be deducted. |
| <input type="checkbox"/> 2 years | <input type="checkbox"/> 7 years | |
| <input type="checkbox"/> 3 years | <input type="checkbox"/> 8 years | |
| <input type="checkbox"/> 4 years | <input type="checkbox"/> 9 years | |
| <input type="checkbox"/> 5 years ** | <input type="checkbox"/> 10 years ** | |

Also we have reviewed the information contained in the statement of benefits and find that the estimates and expectations are reasonable and have determined that the totality of benefits is sufficient to justify the deduction described above.

Approved: (signature and title of authorized member)	Telephone number ()	Date signed (month, day, year)
Attested by:	Designated body	

* If the designating body limits the time period during which an area is an economic revitalization area, it does not limit the length of time a taxpayer is entitled to receive a deduction to a number of years designated under IC 6-1.1-12.1-4.5
