SEPTEMBER 2024 PARK BOARD MEETING

- Concessions season is finally over for the summer. We had a great year with great employees. We had a city-wide Lunch and Learn and fed some full-time city employees with extra food we had leftover. We will be getting everything cleaned in October to hopefully get some remodeling started in the pool concessions for next year.
- We currently have 121 booth spaces sold for the Fall Festival. That is around the same amount we had last year. We had to cut the waiting list off around 20 this year but I estimate we easily could've sold over 150 booth spaces based on all of the inquiries we had. Information goes out to the vendors this Friday.
- We will be an early voting site again this year. Voting starts on October 21st and goes until Election Day.

PROGRAMMING:

We had a very busy August at the amphitheater with three concerts (Toy Factory, Crush and GrooveSmash). The crowds ranged from approximately 2,000 – 4,000+. Hairbangers Ball performed on Friday, September 13th to a crowd of 4,000 enthusiastic fans. It was a great show.

Remaining concerts for the year are below.

Friday, September 27 Corey Cox and Hank Ruff (Fall Festival Friday Night)

Saturday, September 28 Jai Baker (Fall Festival)

We finished up our Arts @ The Amp series for the year with a concert by the Franklin Community Band. This included an ice cream social and artist, Diana Porter, painting a picture during the concert. It is always a fun time and we had 250+ in attendance. We are lucky to have the support of the Branigin Foundation to fund this series. I have applied for a grant for 2025 to help continue and grow this series.

We are gearing up for the final stretch for 2024 with the following:

Friday & Saturday, September 27 & 28	Franklin Fall Festival
Friday, October 4	Movie in the Park
Saturday, October 26	Halloween Town
Saturday, December 7	Holiday Lighting
Sunday, December 8	Santa Paws
Saturday, December 14	Breakfast with Santa

Everyone in the department has been working on new programs and it is exciting. We have some great things planned and are looking forward to it. Planning for the 2025 concert series has been in the process for the past month and several concerts have been booked.
