## **New Business**

Holly Johnston presented Chip Orner's desire to paint a mural at the skate park. There has been some difficulty with kids painting, and he thought a mural might mitigate against that. Mr. Orner stated he could find some funds for it. Mr. Windisch would like to see a skate park. Mr. Orner has been looking in to this, but most immediately would like to see a mural. Mr. Windisch has a contact for a man who paints skate parks. He will reach out to him to begin the investigation. Mr. Kosky also suggested contacting Gail Richards to see if it falls within their parameters for murals.

Bobbi Whittimore added that the individuals who use the skate park could be involved in the project, giving them ownership. She also suggested a graffiti type art atmosphere which would lend itself to their culture and use.

## **Adjournment:**

There being no further business, a motion was made for adjournment.

Respectfully submitted this 12<sup>th</sup> day of January, 2022.
