

Sewer Maintenance Operator/Laborer

City of Franklin /Department of Public Works /Collections

Full Time, Hourly \$25.96

The DPW is accepting applications for the position of Sewer Maintenance Operator/Laborer. The Collections department is responsible for keeping the collection system running smoothly by accomplishing the items below. **This position must be filled by an individual who has their CDL.**

Job Duties:

- Must locate sewers and sewer lines for maintenance and construction.
- Must check lift stations daily to ensure pumps are running properly.
- Must assist in maintaining and repairing all equipment found to be defective.
- Must perform inspections of laterals for new construction and repairs throughout the community.
- Must be able to operate pipeline inspection equipment to trouble shoot sewer line problems.
- Must locate manholes throughout the City.
- Must maintain and repair the holding tank at the Fairgrounds.
- Must maintain sewer equipment and trucks by performing normal maintenance and minor repairs.

Education and Experience:

Preference will be given to applicants with previous experience working in an equal or similar capacity. The applicant must have a high school diploma /education, a valid driver's license and a CDL.

The incumbent will be required to work overtime, weekends and holidays and respond to operational emergencies 24/7 as needed. Both indoor and outdoor work may be required in all weather.

Uniforms will be provided.

This posting is a representation of the job responsibilities but is not to be considered the full job description.

Formal Applications may be obtained from City Hall or online [HERE](#). Resume and Completed Application may be sent to:
