The Franklin Board of Works meets on the 1st and 3rd Tuesday of each month at 9:00 a.m. in the Council Chambers of City Hall located at 70 E. Monroe Street. In order for an individual and/or agency to be considered for new business on the agenda, this reservation form and supporting documents must be received in the Mayor's office no later than 12:00 p.m. on the Wednesday prior to the Board of Works meeting.

Aug 2. (BOW)

Janet,

Thank you for your quick response. If you can fit me in on the August 2nd meeting, that would be great.
Would the meeting be held at the 70 E. Monroe St. location?

Santa

Dear Santa,

Thank you for your email. The Board of Works is the designated purchasing agent for the City of Franklin therefore I plan to forward your email to the Mayor's office. It would seem to me that the most expedient thing to do would be to schedule you on the BOW agenda which would allow you to make a presentation to the BOW and to all of the department heads. These meetings take place twice a month on Tuesday mornings at 9:00 a.m. The next meeting is Tuesday July 19th but it is too late to get you on that agenda. The next meeting is August 2. Are you willing to appear that day? Please let me know.

Janet P. Alexander

Janet,

Just a correction on the email below. where the email states charter schools, it should actually read:
government agencies, which include cities/town offices and entities.

Thank you,
Santa

Janet,

I spoke to Sandy this morning and she provided me with your email address. The information that I am providing is in regards to a new furniture program for the One Indiana initiative. This furniture initiative is a QPA between the State of Indiana and The Hon Company, as well as Jasper Furniture Group. It allows Charter Schools to purchase as little or as much furniture from these two manufactures at the highest discounts available. Even though we are the dealer of record (SaveItNow!) with these manufacturers the discounting would go directly to you...there is no mark up!

Both manufacturers are well known in the contract furniture industry, and produce quality furniture for everything from desking, tables and chairs, to student furniture, and whiteboards. The following link will take you to a video that has been approved by the State that briefly describes the program (<http://oneindiana.net/furniture>).

If you have time available, I'd like to get something scheduled to sit down with you and explain the program in further detail.

Sincerely,
Santa
