Buyer has been made aware that independent inspections disclosing the condition of the property are available and has been afforded the opportunity to require such inspections as a condition of this Agreement.

## ☐ A. BUYER <u>WAIVES THE RIGHT</u> TO HAVE INDEPENDENT INSPECTIONS

Buyer WAIVES inspections and relies upon the condition of the Property based upon Buyer's own examination and releases the Seller, the Listing and Selling Brokers and all salespersons associated with Brokers from any and all liability relating to any defect or deficiency affecting the Property, which release shall survive the closing. Required FHAVA or lender inspections are not included in this waiver.

# AB. BUYER RESERVES THE RIGHT TO HAVE INDEPENDENT INSPECTIONS (including Lead-Based Paint)

Buyer reserves the right to have independent inspections in addition to any inspection required by FHA, VA, or Buyer's lender(s). All inspections are at Buyer's expense (unless noted otherwise or required by lender) by licensed independent inspectors or qualified independent contractors selected by Buyer within the following time periods. Seller shall have water, gas, electricity and all operable pilot lights on for Buyer's inspections.

INSPECTION/RESPONSE PERIOD: Buyer shall order all independent inspections immediately after acceptance of the Purchase Agreement. Buyer shall have \_\_\_\_\_\_ days beginning the day following the date of acceptance of the Purchase Agreement to respond to the inspection report(s) in writing to Seller (see "Buyer's Inspection Response").

Inspections may include but are not limited to the condition of the following systems and components: heating, cooling, electrical, plumbing, roof, walls, ceilings, floors, foundation, basement, crawl space, well/septic, water, wood destroying insects and organisms, lead-based paint (note: intact lead-based paint that is in good condition is not necessarily a hazard), radon, mold and other biological contaminants and/or the following:

If the initial inspection report reveals the presence of lead-based paint, radon, mold and other biological contaminants, or any other condition that requires further examination or testing, then Buyer shall have additional days to order, receive and respond in writing to any additional reports.

If the Buyer does not comply with any Inspection/Response Period or make a written objection to any problem revealed in a report within the applicable Inspection/Response Period, the Property shall be deemed to be acceptable. If one party fails to respond or request in writing an extension of time to respond to the other party's Independent Inspection Response, then that inspection response is accepted. A timely request for extension is not an acceptance of the inspection response, whether or not granted. A REASONABLE TIME PERIOD TO RESPOND IS REQUIRED TO PREVENT MISUSE OF THIS ACCEPTANCE PROVISION. Factors considered in determining reasonable time periods include, but are not limited to, availability of responding party to respond, type and expense of repairs requested and need of responding party to obtain additional opinions to formulate a response.
