RE: 2011 Tax Abatement Compliance Packet for Overton & Sons Tool & Die d/b/a Overton Carbide & Engineering

Dear Ms. Linke,

Enclosed, please find Form CF-1/PP (Compliance with Statement of Benefits) regarding compliance with the personal property tax abatements which were granted to Overton & Sons in 2001 under Franklin Common Council Resolution number 01-06.

As can be seen from reviewing the enclosed documents, our company was successful in making all of the capital investment which had been projected. At year-end 2011, we have added a total of eight additional new jobs compared to our original projection of four on Form SB-1. We also anticipate hiring an engineer this year. We believe that we have fulfilled our proposal in the Statement of Benefits (Form SB-1) which was approved on February 26, 2001.

Please review all of the enclosed documents and if you have any questions or concerns regarding this matter, please feel free to contact me at (317) 831-4542.

Sincerely

Steve Overton, CFO

Overton Carbide & Engineering
