Memorandum

To: City of Franklin Economic Development Commission

Date: March 8, 2012

Re: Case C 2012-12: Holbrook Manufacturing, Inc.

Summary:

1. On February 25th, 2008, the Franklin Common Council passed Resolution No. 2007-14, approving a 7-year tax abatement on personal property for Holbrook Manufacturing at 291 Province Street.

2. Actual and estimated benefits, as projected for 2011:

	Esti	mated on SB-1	Д	ctual in 2011	Difference
Employees Retained		40		31	-9
Salaries	\$	1,899,280	\$	1,655,407	\$ (243,873)
Average Hourly Salaries	\$	22.83	\$	25.67	\$ 2.85
Personal Property Improvements	\$	750,000	\$	710,970	\$ (39,030)

- 3. Holbrook Manufacturing came very close to meeting their proposed capital investment in their first year of their tax abatement. They also proposed a total of 40 jobs and had created 36 by the end of 2008. In 2009 the cut back their total workforce to 33 employees. In 2010 they had 34 employees. As you can see, this year they have 31 employees.
- 4. The company did not meet their average hourly salary as estimated on their SB-1 form last year. The average hourly salary reported in 2010 was \$20.84 per hour. This year they exceed their average hourly salary.
- 5. The personal property tax abatement is scheduled to expire in tax year 2014 payable 2015. The final compliance review will take place in 2015.

Staff Recommendation:

Approval – See letter from Avis Holbrook dated February 16, 2012 as well as additional equipment which received no abatement that was purchased in 2011 on Page 3.

Re: Tax Abatement Compliance for Holbrook Manufacturing Inc.

Dear Mrs. Linke:

Enclosed please find Form CF-1 (Compliance with Statement of Benefits) regarding compliance with the real and personal property tax abatements which were granted to Holbrook Manufacturing Inc. in 2008 under Franklin Common Council Resolution number 07-12, 07-13, 07-14.

As can be seen from reviewing the enclosed documents, our company has been highly successful in making all of the capital investments which had been projected, and complement of jobs over the past couple of years during an economic downturn. Although there has been a decrease in orders and financial circumstances, the company has maintained its workforce and invested in minor amounts of additional equipment.

Please review all of the enclosed documents and if you have any questions or concerns, please feel free to contact me at (317) 736-9387.

Sincerely,

Wis M. Holbrook
