Janet

I have checked and it appears that we have a significant balance in our MVH fund. Could you generate an ordinance for additional appropriation in the amount of \$800,000.00 to be presented Monday April 1st city council meeting. I also would like it specified that this is only to be used for Streets, Curbs, Alleys and Sidewalks. I also would like to set up a workshop with the Council and Board of Works to have open discussion on Plan when Travis has it put together and ready to present.

Thank You,
Steve Barnett
Council President
