### Did you know...?

In 2009 there were 110,431 reports of child abuse in Indiana  
and 24,754 of those were substantiated.

In 2009, there were 38 child fatalities due to abuse and/or  
neglect.

Approximately 5 children die in America everyday as a result of  
abuse and/or neglect.

Nearly 78% of child fatalities as a result of abuse/neglect are  
caused by one or more of the child's parents.

**It's time to make a difference.**

**Raise awareness. Educate. Support.**

Charitable donations will be made to each of these local  
organizations from all proceeds raised through this event.
