A. POLICY STATEMENT

The City of Franklin (hereafter referred to as “City”) is required to conform to Title VI of the Civil Rights Act of 1964 (Title VI) and all related statutes, regulations, and directives, which provide that no person shall be excluded from participation in, denied benefits of, or subjected to discrimination under any program or activity receiving federal financial assistance from the U.S. Department of Transportation (DOT) on the grounds of race, color, age, national origin, gender, disability or income status. The City assures that no person in the United States shall, on the grounds of race, color, national origin, or sex be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity receiving federal assistance (23 CFR 200.9 Title 49 CFR 21).

The Civil Rights Restoration Act of 1987 broadened the scope of Title VI coverage by expanding the definition of terms “programs or activities” to include all programs and activities of Federal Aid recipients, sub-recipients, and contractors, whether such programs and activities are federally assisted or not (Public Law 100-259 [S.557] March 22, 1988).

Pursuant to the requirements of Section 504 of the Rehabilitation Act of 1973 (29 USC §794), the City hereby gives assurance that no qualified disabled person shall, solely by reason of his disability, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination, including discrimination in employment, under any program or activity that receives or benefits from Federal financial assistance.

In the event the City distributes federal aid funds to a sub-recipient, the City will include Title VI language in all written agreements and will monitor for compliance. The City’s Title VI Coordinator, Stephanie Shepherd with the Clerk Treasurer’s Office , is responsible for initiating and monitoring Title VI activities, preparing reports and other responsibilities as required by 23 CFR 200.9 Title 49 CFR 21.

F. ENVIRONMENTAL JUSTICE

In accordance with Title VI of the Civil Rights Act of 1964, each Federal agency shall ensure that all programs or activities receiving Federal financial assistance that affect human health or the environment do not directly, or through other arrangements, use criteria, methods, or practices that discriminate on the basis of race, color, or national origin. Part of Title VI reads, “No person in the United States shall, on the ground of race, color, or national origin be excluded from participation in, be denied the benefits of, or be subject to discrimination under any program or activity receiving Federal financial assistance.”

The three fundamental environmental justice (EJ) principles are:

- To avoid, minimize, or mitigate disproportionately high and adverse human health and environmental effects, including social and economic effects, on minority populations and low-income populations;
- To ensure the full and fair participation by all potentially affected communities in the transportation decision-making process; and
- To prevent the denial of, reduction in, or significant delay in the receipt of benefits by minority populations and low-income populations.

The City of Franklin has a commitment to these three environmental justice principles in all work that the City performs.

H. LIMITED ENGLISH PROFICIENCY (LEP) POLICY

On August 11, 2000, the President signed an executive order, Executive Order 13166: Improving Access to Service for Persons with Limited English Proficiency (LEP), to clarify Title VI of the Civil Rights Act of 1964. It has as its purpose, to ensure meaningful access to programs and services to otherwise eligible persons who are not proficient in the English language. In addition, The US Department of Transportation published Policy Guidance Concerning Recipients' responsibilities to Limited English Proficient Person in the December 14, 2005 Federal Register. This guidance outlines the following four factors that the City uses to access the LEP populations in Franklin.

1. The number and proportion of LEP persons eligible to be served or likely to be encountered by the City.

2. The frequency with which LEP individuals come into contact with the program, activity or service.

3. The nature and importance of the program, activity, or service provided by the program.

4. The resources available to the City and costs.

Summary of the four factor analysis

Factor 1 - The number and proportion of LEP persons eligible to be served or likely to be encountered by the City:

The U.S. Census Bureau provides statistics from 2014 for the City of Franklin. The 2014 estimate shows the population in Franklin to be 24,356 with the census showing race or ethnicity distribution in 2010 as:

White – 93.4%
Black or African American – 1.4%
American Indian or Alaska Native – 0.3%
Asian - 0.8%
Two or more races 1.6%
Hispanic or Latino- 2.5%

The most common language spoken besides English is Spanish with no other remaining LEP language groups identified by the census or by interaction between the City Staff and the Public.

Based on the above figures, the estimated populations for possible language groups are:

White - 22,748
Black or African American - 341
American Indian or Alaska Native - 73
Asian - 195
Two or more races - 390
Hispanic or Latino- 609
The U.S. Census Bureau has a range of four classifications of how well people speak English. The classifications are: ‘very well,’ ‘well,’ ‘not well,’ and ‘not at all.’ For planning purposes, the City considers people that speak English less than ‘very well’ as Limited English Proficient (LEP) persons. It is estimated that the majority of minorities in the community speak English well or very well or have translation availability within their own families or friends. Using the four classification range, the number of LEP persons estimated to be living in Franklin is calculated with consideration to the Census Bureau’s data which shows 1.9% of the population for the years 2009-2013 may be foreign born. The census also shows that the total population growth from 2010 to 2014 was approximately 2.62% which equals approximately 621 people (24,356 for 2014 minus 23,735 for 2010) moving to Franklin over a four year period. These figures indicate that approximately 3 people that are foreign born (1.9% of 621/4 year period) annually may move to the City of Franklin from other countries. Of these foreign born residents, it is estimated that at least 1 of these individuals speaks English “very well”. These numbers indicate that approximately 2 individuals move to the City from foreign countries annually and may be considered as having Limited English Proficiency LEP.

Factor 2- The frequency with which LEP individuals come into contact with the program, activity or service:

There have not been any recorded language translation requests nor has there been any complaints concerning discrimination regarding the LEP population known to the City at this time.

Factor 3- The nature and importance of the program, activity, or service provided by the program:

If at any time a LEP individual requests translation services that are considered important such that denial or delay of access or services or information could have serious or even life-threatening implications, the City will provide, upon request, services to assist the LEP population including translation of vital City documents and interpretation services. The City is not required to provide any and all documents to be translated in their entirety but only enough to convey the basic meaning of those documents to the requesting individual(s).

Factor 4- The resources available to the City and costs:

The City of Franklin is a relatively small community with limited resources so an intricate plan to accommodate LEP persons is not practical at this time. Considering the minor numbers as estimated in Factor 1 above for the LEP population, the City plans to provide basic services upon request as discussed in factor 3 above.
Summary of LEP Accommodation Plan

- The City of Franklin strives to serve its population to the best of its ability and will provide upon request, services to assist the LEP population including translation of vital documents and interpretation services deemed necessary to provide meaningful access to City services.

- A U.S. Census Bureau ISpeak card is available as part of this document and on the City’s webpage and is also available at City Hall located at 70 E. Monroe St. This card allows LEP individuals to communicate their preferred language to City Staff whereas City Staff may then access a language translation service to accommodate the needs of the person with LEP. A translation service called INDY Translations, phone number 1-800-695-8772 is available to City Staff or other translation services may be used as determined by the City.

- Collect public involvement data to monitor possible LEP individuals in the community. The City of Franklin utilizes a voluntary public involvement survey to collect information regarding persons affected by proposed projects. The survey permits respondents to remain anonymous, while voluntarily answering questions regarding their gender, ethnicity, race, age, disability status, and household income. This voluntary public involvement survey is available at all public hearings and meetings. Once the survey data has been collected, it will be reviewed and then the survey will be placed in a file for future reference. In the case enough surveys are collected over time to show a significant increase in LEP populations, the City may consider changes to their LEP policy. Completed surveys shall be retained for a period of three years from the date of the meeting and/or completion of the related project, if applicable. See Appendix G for a sample of this Survey.

- Review written Title VI complaints and ensure every effort is made to resolve complaints informally at the local or regional level and review and update the City’s Title VI plan and procedures as required.

- Staff Training- Staff for the City will be provided training on the requirements for providing meaningful access to services for LEP persons. Considering the relatively small size of the City and the estimated small number of LEP individuals in the service area and limited financial resources, current training may be limited to web access to this document and it’s attachments by all City Staff, a log showing the names of all Staff that have been made aware of this document (sign off that they have read the document) and require that all new employees receive the same training.

(3) **Solicitations for Subcontractors, Including Procurements of Materials and Equipment**: In all solicitations either by competitive bidding or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor or supplier shall be notified by the contractor of the contractor's obligations under this contract and the Regulations relative to nondiscrimination on the grounds of race, color, or national origin.

(4) **Information and Reports**: The contractor shall provide all information and reports required by the Regulations or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the (Recipient) or the (Name of Appropriate Administration) to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish this information the contractor shall so certify to the (Recipient), or the (Name of Appropriate Administration) as appropriate, and shall set forth what efforts it has made to obtain the information.

(5) **Sanctions for Noncompliance**: In the event of the contractor's noncompliance with the nondiscrimination provisions of this contract, the (Recipient) shall impose such contract sanctions as it or the (Name of Appropriate Administration) may determine to be appropriate, including, but not limited to:
