

FRANKLIN PARKS & RECREATION: TREE OF LIFE

Tree Dedication Program

The Franklin Parks and Recreation Department offers a unique dedication program to honor and remember friends and relatives.

Planting a tree in a city park is a wonderful way to honor a loved one and also provides a gift to the whole community. Trees are planted in public parks so everyone can enjoy the shade, beauty and enjoyment a living tree provides.

The tree selection will be a wonderful remembrance of a special occasion that adds beauty to the landscape for countless generations to enjoy.

The trees will be cared for by the Parks & Recreation Department, ensuring a long life for the tree you select.

Your donation is tax deductible to the fullest extent of the law through a partnership with the Johnson County Community Foundation.
