The City is committed to complying with all the relevant and applicable provisions of the 1991 Americans with Disabilities Act, as amended, (ADA) and the Rehabilitation Act of 1973. It will not discriminate against any qualified employee or job applicant because of a person’s physical or mental disability. See Anti-Discrimination/Harassment Policy for more information.

The City will engage in an interactive process to identify reasonable accommodations wherever necessary for all employees or applicants upon request. The individual must be qualified to safely perform the duties and assignments connected with the job. The City will take appropriate steps to provide reasonable accommodations so long as doing so does not cause an undue hardship. Questions regarding reasonable accommodations and/or discrimination on the basis of disability should be directed to your Department Head and/or the Clerk Treasurer.
