

## INDIANA DEPARTMENT OF TRANSPORTATION

### News Release

#### **I-65 Construction To Require SR 44 Restrictions Next Week**

JOHNSON COUNTY, Ind.—Indiana Department of Transportation's \$84 million added travel lanes project on Interstate 65 in Johnson County will require restrictions on State Road 44 at the Franklin exit beginning next Monday (JUNE 5).

\* MONDAY June 5      Mill and patch S.R. 44 northwest and southwest ramps with closures during daytime hours; each ramp will reopen once milled.

Pave and set Raised Pavement Markings (RPMs) on I-65 northbound and southbound between mile markers 95.0 and 88.5 during overnight hours; double right lane are closed—one reopens for daytime traffic.

TUESDAY June 6      Mill and patch S.R. 44 northeast and southeast ramps with closures during daytime hours; each ramp will reopen once milled.

Pave and set RPMs along I-65 northbound and southbound outside shoulders between mile markers 95.0 and 88.5 during overnight hours; double right lanes are closed—one reopens for daytime traffic.

WEDNESDAY June 7      Patch S.R. 44 ramps during overnight hours; each ramp closes during patching operations.

Place aggregate along I-65 northbound and southbound outside shoulders between mile markers 95.0 and 88.5 during daytime hours; single right lanes remain closed.

During overnight hours, pave I-65 northbound and southbound outside shoulders/slopedwalls between mile markers 95.0 and 88.5; double right lanes are closed—one reopens for daytime traffic.

THURSDAY June 8      Pave S.R. 44 northwest and southwest lanes/ramps during overnight hours; individual ramps close for paving, then reopen.

Place aggregate along I-65 northbound and southbound outside shoulders between mile markers 95.0 and 88.5 during daytime hours; single right lane remains closed.

FRIDAY June 9      Pave S.R. 44 northeast and southeast lanes/ramps during overnight hours; individual ramps close for paving, then reopen.

Place aggregate along I-65 northbound and southbound outside shoulders between mile markers 95.0 and 88.5 during daytime hours; single right lane remains closed.

SATURDAY June 10      Pave all S.R. 44 ramp shoulders during overnight hours; individual ramps close for paving, then reopen.

Place aggregate along I-65 northbound and southbound outside shoulders between mile markers 95.0 and 88.5 during daytime hours; single right lane remains closed.

All scheduled work is weather dependent.

Milestone is the state's contractor for this 11-mile-long full-depth reconstruction of I-65 between Greenwood and Franklin which included bridge rehabilitation at Main Street/Greenwood, Whiteland Road, Hurricane Creek and S.R. 44
